Christine MacMillan  
Laboratory Director  
National Testing Laboratories, Ltd.  
556 South Mansfield Rd  
Ypsilanti, MI 48197

Dear Ms. MacMillan,

This is to acknowledge receipt of the required materials relevant to the certification of National Testing Laboratories, Ltd by the State of Michigan accrediting authority. Certification by reciprocity under the Safe Drinking Water Act is being granted to National Testing Laboratories, Ltd. by the State of Mississippi for all microbiology and chemistry drinking water parameters as granted by the State of Michigan from December 29, 2021 and expiring November 6, 2024.

Certification for Radiochemistry is determined by USEPA Region 4 SESD and is not included in the scope of this certification. All required documentation for radiochemistry certification is maintained by the MS Public Health Laboratory.

Notification must be made to this office in writing within 30 days of any changes in the laboratory's State of Michigan certification status.

Please notify the Mississippi Bureau of Public Water Supply, 601-576-7518, immediately upon the occurrence of any compliance sample which exceeds the MCL. Compliance sample results are reportable to the MS Bureau of Public Water Supply as soon as testing is completed.

Sincerely,

*Janet Hartin*
