Dear Ms. MacMillan,

The Department of Planning and Natural Resources, Division of Environmental Protection DPNR-DEP has reviewed your current chemistry parameters certification and has determined your methods and parameters are consistent with the policies of the Virgin Islands Drinking Water Program. Therefore, VIDPNR-DEP is granting National Testing National Testing Lab certification in the United States Virgin Islands via Reciprocity for the parameters outlined in State of Louisiana & TNI NELAP accreditation. **Your reciprocity certification is due to expire December 31, 2019 at which time you must submit any updated criteria, as specified below, QA manual updates and proof of renewed State of Louisiana and NELAP certification, at least 15 business days prior to expiration.**

National Testing Laboratories, Ltd maintains certification in the United States Virgin Islands Department of Planning and Natural Resources, Division of Environmental Protection under the following conditions:

1. National Testing Laboratories, Ltd maintains certification status with the State of Louisiana and NELAP certification to expire December 31, 2019;
2. National Testing Laboratories, Ltd is certified only for the parameters and test methods that maintain acceptable Proficiency Testing performance evaluation standards;
3. National Testing Laboratories, Ltd is certified only for the analytes that are accredited with the State of Louisiana & TNI NELAP accreditation;
4. National Testing Laboratories, Ltd provides recent and future Proficiency Testing results to VIDPNR.

Any further questions or concerns regarding the aforementioned may be forwarded to Lia Hibbert, DPNR-DEP Certifying Officer at 340-774-3320.

Sincerely,

Kathlyn Worrell-George
Director, DEP
