EXTRA LINK

EXTRALINK 27U 600X1000 BLACK | RACK CABINET | STANDING

OVERVIEW

The Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV installation control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a tempered glass pane, the front door can open to the left or right.

THE HEIGHT OF THE CABINET
IS CLEARLY MARKED

The vertical rails are marked with the appropriate height, which amounts to
27U (unit) , which provides enough space for mounting more devices.
The total height of the wardrobe is 132 cm.

EASY DISASSEMBLY OF SIDE WALLS

Snaps on the side walls allow their removal. Locks and keys are included .

SIMPLE CABLE ROUTING

In the bottom panel of the cabinet there are as many as 4 grommets for pulling cables, thanks to which the risk of
pinching or tangling is reduced.

THE CABINET'S CEILING IS ADAPTED TO THE INSTALLATION OF FANS

There are 4 places for installing fans on the ceiling of the cabinet for better cooling of the devices, there is also an additional opening for pulling cables.
