EXTRALINK 9U 600X600 AZH BLACK | RACK CABINET | WALL-MOUNTED, TWO-SECTION

OVERVIEW

The Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV installation control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a tempered glass pane, the front door can open to the left or right side. The two-section design of the cabinet facilitates rear access to the installed components.

THE HEIGHT OF THE CABINET
IS CLEARLY MARKED

The vertical rails are marked with the appropriate height, which is 9U (unit) ,
while the total height of the cabinet is 50.5 cm .

EASY DISASSEMBLY OF SIDE WALLS

Snaps on the side walls allow their removal. Locks and keys are included .

THE CEILING OF THE CABINET WITH THE POSSIBILITY OF INSTALLING FANS

There are 2 places to install fans on the ceiling of the cabinet for better cooling of devices, there are also 2
additional grommets for pulling cables.
