## A QUEST TO HEAL

During the Wan Li period of the Ming Dynasty, pugilist Luo Ming Yi (Carrie Wong) sneaks into the heavily guarded imperial jail in an attempt to rescue her senior Li Shi Zhen (Xu Bin). She is stopped by Bi Zheng (Qi Yu Wu), a Brocaded Robe Guard under the command of the powerful Eunuch Sun (Bryan Wong). The two engage in a fierce fight and unknowingly travel through time to 2020!

They eventually ended up in Xian Cao Tang, a 50 year-old herbal restaurant which was incidentally founded by the descendants of Li Shi Zhen. Currently helmed by an incompetent Li Ji Shi (Xu Bin), Ming Yi is determined to help him turn the business around. Bi Zheng agrees to help only because Ji Shi promises to assist them in finding a way back to Ming. He unwillingly becomes the food consultant, relying on his knowledge of imperial cooking to come up with medicinal dishes that prove to be a hit.

But Ming Yi and Bi Zheng accidentally get transported back to Ming. Their time-traveling feat was discovered by Eunuch Sun, who intends to travel to modern times himself in order to gather powerful knowledge and weapons to control Ming! Can Ming Yi stop him and will Bi Zheng help her or will he be bounded by his loyalty to Eunuch Sun?
