### Episode 1 – Preparing For Release

Reform. Release. Redemption. With the finish line in sight, how are inmates gearing up for a life beyond maximum security prison? What trials will they face as they leave their past behind?

The long-awaited series returns with a reunion of familiar faces. Boon Keng and Graceson put their social skills to the test as they learn to live with strangers in a confined space. For Boon Keng, it's a cocktail of anxiety and anticipation as he faces up to the realities of the real world. With exams, projects, and an imminent test to juggle, will Iskandar crack under pressure? Caught between inmates and officers, how is Khai handling new responsibilities with word on his mother still scant?

### Episode 2 – Counting Down

It's a galore of bittersweet goodbyes as Boon Keng and Graceson transfer into the community. Like caged animals freshly let out into an enclosure, they savour their newfound freedoms. But as they build their new life, some wounds remain raw. Can they stave off the lure of the outside world, or do old habits die hard?

### Episode 3 – Getting Out

The jailbirds are getting used to a life outside maximum-security prison.

But lapses in judgement cause them to drop all the pieces they've painstakingly picked up.

Is this a rude awakening? Or are they back to square one?

Graceson takes up a new job that doesn't befit his tough exterior. But just as life blooms in colour, a wakeup call drags him back to reality. Iskandar jeopardises all his hard work with a single misstep. He reflects in solitude as he awaits judgement. Booked and busy, Boon Keng pays his dues and hits new milestones. Khai returns into the arms of those who matter most, but will his worries dissipate?

In the series finale, the four men dust themselves off for the days ahead, and it's uncertain what life holds.
