Without any concrete explanation, Di Lun concludes it is the doing of extra-terrestrial beings, much to the chagrin of his childhood friend, Lin Xiao Qing (He Ying Ying). When they finally find the missing girl Tang Ning (Angel), she shares much similarity to Xiao Qing's missing sister, who was never found since she'd gone missing at 9 years of age. Through their investigation, Di Lun and Xiao Qing find many similar missing cases, where the victims suffer from sleepwalking. Is it really a case of alien abduction or is the mind playing tricks due to sleep deprivation?
