## FACULTY

A video has been released online of a sexual encounter between a lecturer and a student, with just enough clues to hint at their identities. The truth slowly unravels as the story rewinds to the first day of school when Sylvia (Cheryl Tan), a newly minted Assistant Professor, and Philip (Shane Pow), a promising student, begin their first day of school...

At first, Sylvia has the support and endorsement of her Dean who clearly values her. But the teaching faculty is highly political and Madelyn Crenshaw (Jaymee Ong) views Sylvia as a thorn in her side to be removed by all means. But she has woefully underestimated Sylvia, who is not about to let Madelyn get away without a fight. In order to survive the system, Sylvia must become part of it. But can she do so without losing her principles?
