Genie In A Cup

A seemingly wise and kind e-commerce tycoon Ma Dabao was inexplicably killed with his ghost trapped in an A.I. Cup, a product idea he actually stole from his son Deming. The A.I. cup he was trapped in landed up with Xiaoqian, his biggest fan. Xiaoqian gets embroiled with Deming and his friend Renjie as she sets out to find the cause of Dabao's death. As she nears the truth, she discovers that Deming and Renjie may be the key suspects. Dabao stops Xiaoqian from investigating, but it may be too late as Deming is seriously injured in an accident. Will he survive and at what cost will Xiaoqian pay to find out the truth behind Dabao's death?
