#### Episode 1 - The Quant Edge

Using a single strategy, Quantedge Capital has returned over 1600% since 2006. In a rare media appearance, CEO Suhaimi Zainul-Abidin, discusses risk as the cornerstone of their strategy.

Quantedge is one of Asia's most successful quant hedge funds. Their track record of outsized returns has repeatedly landed the firm at the top of the rank tables of Bloomberg, Barrons, AsiaHedge, amongst others

#### Episode 2 - Contrarian Fox

Famous for his contrarian short during the global financial crisis, legendary trader Stephen Diggle is today a self-professed investor with a strategy built on four idiosyncratic opportunities.

Stephen is Founder and CEO of Vulpes Investment Management, a family office with a portfolio of investments designed to grow capital whilst offering downside protection and non-correlation. In the 2000s, he co-founded Artradis Fund Management: One of the largest and most successful hedge funds in Asia making USD 2.7 billion for investors between 2002 and 2009.

#### Episode 3 - Man of Megatrends

Since the 1980's, serial investor and entrepreneur Jayesh Parekh has repeatedly capitalised on some of the biggest trends in Asia. Today, he's onto a new trend which he believes will last decades.

Jayesh is Managing Partner of Good Startup, a venture capital firm focused on the alternative protein space. He was instrumental in the founding of Jungle Ventures in the 2010s, Sony Entertainment Television in the 1990s and for bringing IBM back into India in the 1980s.

### Episode 4 - Rebuilding Rural

Having fundraised a billion dollars, veteran advisor, financier and investor, Michael Sng, is leveraging his private equity know-how to build profitable businesses for rural communities and investors.

Michael is the CEO of TAEL Partners. TAEL is one of the earliest homegrown private equity firms and the first to focus extensively on Southeast Asia. Prior, Michael established the investment banking subsidiary of UOB and was one of the pioneers of ASEAN capital markets during his time at Schroders Singapore.

#### Episode 5 - Generational Thinking

Taking lessons from over a decade of building and preserving wealth for Asia's UHNW families, entrepreneur-investor Shirley Crystal Chua is creating a business to hopefully survive a century.

Shirley is Founder and Group CEO of Golden Equator, a holding group of eight synergistic businesses creating value within the finance, consulting and workspace sectors. Golden Equator Wealth is one of the first homegrown multi-family offices with clients in over 12 countries.

## Episode 6 - Fintech and Beyond

To tackle the USD 1.5 trillion global trade finance gap, commodity industry expert Tom James has engineered a hybrid fintech and fund management solution that ticks both boxes of purpose and profit.

Tom James is CEO, CIO and Co-founder of Tradeflow Capital Management. He is an established fund manager, fintech entrepreneur and 12-time published author. Some of his books have become required material for professional exams and university courses and have been cited by NASA, other government agencies and academics around the world.
