Silk Road 2.0: China In A Post-Pandemic World

The pandemic has seriously impacted one-fifth of the projects in China's Belt and Road Initiative. Now, a version 2 of the signature BRI has emerged. In this series, we travel across the world to report on a new Digital, Health and Green Silk Road. Discover the links between the digital economies of ASEAN and China. Uncover the truth behind China's overseas coal investing. And, witness if China's vaccine diplomacy can help the world recover from COVID-19.

Narrator: Anthony Morse

疫情严重影响了中国"一带一路"倡议中五分之一的項目。现在，签名"一带一路"倡议的第2版已经出现。在本系列中，我们将走遍世界各地，报道新的数字，健康和绿色丝绸之路。探索东盟和中国数字经济之间的联系。揭开中国海外煤炭投资背后的真相。而且，见证中国的疫苗外交是否能够帮助世界从COVID-19中恢复过来。

Episode 1: Digital Silk Road

China's signature Belt and Road Initiative is evolving in the pandemic. In this episode, witness how the Digital Silk Road is shaping ASEAN's digital economy.

Discover how China is laying undersea fiber optic cables across Asia, and uncover Huawei's new plans for expansion across Southeast Asia.

Episode 2: Health Silk Road

China's signature Belt and Road Initiative is evolving in the pandemic. In this episode, witness how a Health Silk Road emerges to fight COVID-19. But it has to contend with misinformation, mistrust, and questions about the efficacy of Sinovac. As COVID-19 continues to spread, how can China contribute to the global fight against the pandemic?

Episode 3: Green Silk Road

China's signature Belt and Road Initiative is evolving in the pandemic. In this episode, China has pledged a Green Silk Road to address climate change. But is it living up to its promise? Amidst protests against dam projects and coal financing, Beijing is adjusting its investments. But is it adapting fast enough, as climate change continues to accelerate?
