## SOUL REAPER

Soul (Ian Fang) is a pretty boy with a mesmerizing smile, but you do not want to be near him. Because if he ever approaches you, it means you do not have much time left in this world. He is the Soul Reaper!

The kind-natured Soul cannot bring himself to take the lives of his victims mercilessly, he always gives them seven days to complete their dying wish, with two options; make up for their regrets and peacefully accept death; to exchange their life with the life of someone they love or someone who loves them.

Soul was chosen by Chief (Romeo Tan) for this unworldly task after the mysterious death of his father. Chief promised to give him clues as a reward for every mission he completes as a Soul Reaper. To find out the truth, Soul agreed. As a Soul Reaper, he comes into contact with people from all walks of life, witnessing how each individual makes their choice when faced with death.
