Tripitaka (Elvin Ng), Monkey God (Kingone Wang), Pigsy (Ian Fang) and Sandy (Steven Chiang) met with a calamity while on their journey to the West, due to Flower Fairy Caiyue's (Julie Tan) mistake. Tripitaka, Pigsy and Sandy died as a result of that. Out of despair, Monkey God swore before dying that he will never forgive Caiyue. Unbeknownst to them, the tragedy was orchestrated by the Nine-Tail Vixen (Ann Kok).

Out of desperation, Caiyue visited the Goddess of Mercy to beg for a second chance, she was granted 1,000 years to locate the reincarnated Monkey God. Caiyue finally locates him, reincarnated as Zhao Yaojin, at the end of 1,000 years.

Caiyue hopes to seek forgiveness and return to the journey to the West. Unfortunately, Yaojin does not have any memory of his past life, neither was he interested in journeying to the west. Faced with the love of her life remembering nothing, how will Caiyue gain the forgiveness she yearns, and will they ever return to complete their journey to the West?
