

## ETNIK-COSMETICS, A NEW RANGE OF BELGIAN NATURAL DERMO-COSMETICS PRODUCTS.

Created with top-of-the-range and innovative compounds, in order to offer high quality skincare products, Etnik's cosmetics contain a large amount of virtuous ingredients known and used for millennia.

Our formulas are specifically designed to meet the needs of all skin types and take care of each skin tone by bringing **health, beauty** and absolute **comfort**.

Etnik's main ingredients are known and recognized for their great nutritional and caring properties.

In addition, our treatments are natural, formulated without silicone, phenoxyethanol, parabens or endocrine disruptors, and no use of chemical perfumes.

The main ingredients are selected within the tropical biodiversity, with the greatest care, amongst the rarest butters and purest oils.

- **Nigella oil**, organically grown and present in all our products, is selected for its powerful antioxidant, antiseptic and toning virtues. Nigella, also known as black cumin, is an incredibly rich asset that also helps fight infections, acne and eczema.
- **Cocoa and mango**, selected for their great nourishing capacity, give softness and suppleness to the skin.
- **Jojoba** naturally regulates sebum, effectively fighting against the signs of time.
- **Desert dates** selected for its anti-viral and anti-microbial actions.
- **Sunflowers**, very rich in vitamin E and essential fatty acids.

**ALL ETNIK PRODUCTS ARE IMAGINED,  
DEVELOPPED AND PRODUCED IN BELGIUM,  
IN SPECIALIZED LABORATORIES.**
