

Custom Angulated Full Arch Solution

Custom Overdenture Abutment

- Maintain optimal vertical height
- Obtain desired angulation
- Compatible with major denture attachments
- Create ideal tissue support
- Stable pressure

Custom All-on-T & T-L Service List

Manufacturer	Brand	Recommended Screw Torque Value
	* Internal 3.0	30N∙Cm
BioHorizons	Internal 3.5	30N•Cm
Diomonizonio	Internal 4.5	30N•Cm
