PRODUCT GUIDE

GLOWING SKIN STARTS WITH

We know skincare can be complicated. That's why we're proud to offer a range of uncomplicated, results-driven clinical skincare backed by science. Skincare you can trust.

Ultraderm is Australia's fastest-growing cosmeceutical skincare company within the professional beauty industry, offering a minimalist approach to skincare. Available in over 300 salon partners across Australia and New Zealand, we're renowned for creating innovative formulas and science-based skincare that actually works. No fuss, no frills - just a range of multi-tasking, hard-working products that do exactly what they promise to do.

We appreciate that most of our customers are short on time but want fast, long-lasting results. Our clinical skincare line is formulated for all skin types and backed by scientifically researched ingredients, so you can achieve better results with less product and enjoy a simplified skincare experience.

CLEANSERS AND TONERS

New easy-to-use push down dispenser

ALL IN ONE MICELLAR CLEANSER

200mL & 30mL UltraMini

All In One Micellar Cleanser no rinse brightening formula sweeps away makeup and impurities in one quick 30 second step to leave skin ultra clean, refined and feeling comfortable. Antioxidant rich formula helps strengthen the skin's barrier while protecting cells from environmental damage and blue light emissions.

Suitable for: All skin types.

SKIN RENEW CLEANSER

200mL & 30mL UltraMini

An Ultraderm bestseller, Skin Renew Cleanser unveils noticeably smoother skin by gently dissolving unwanted dry skin, bacteria and oil. This luxurious gel cleanser effectively cleans and refines the skin using a unique AHA and BHA complex, leaving your skin feeling soft and smooth with a more illuminated appearance.

Suitable for: Suitable for all skin types except sensitive.

SKIN KARMA CLEANSER

200mL & 30mL UltraMini

Skin Karma Cleanser is a creamy cleanser for all skin types that cleans and restores skin hydration. Its gentle non-congestive formula removes environmental contaminants, impurities and makeup without drying the skin or causing irritation. Skin Karma Cleanser maintains the skin's natural moisture barrier and leaves skin feeling comfortable, clean and hydrated.

Suitable for: All skin types, especially sensitive, mature and pigmented.

SKIN KARMA HYDRATION TONER

125mL & 50mL UltraMini

Lightweight and refreshing, Skin Karma Hydration Toner helps to hydrate, tone and brighten your skin. This toner features an oil-free and calming formula to eliminate dryness or feeling of tightness. Lactic Acid helps reduce the signs of skin dullness and fatigue so it remains looking vibrant, healthier and radiant. Regular use will help to even skin tone and increase luminosity.

Suitable for: All skin types.

EXFOLIANTS AND MASKS

FACE & BODY POLISHING CREAM

150mL & 30mL UltraMini

Face & Body Polishing Cream is a deep cleansing dual exfoliator featuring an effective combination of active ingredients like Glycolic Acid, Lactic Acid and Celluloscrob to gently remove dead surface skin cells. This formula is designed to help strengthen the skin's protective barrier and normalise skin function. Skin is left smooth, hydrated and polished without causing damage or irritation. Ideal for face and body use.

Suitable for: All skin types except sensitive.

DUAL TREATMENT MASK

50mL

Dual Treatment Mask works quickly to exfoliate, refine and illuminate the skin. This mask deeply purifies and balances the skin with a pleasant texture enriched with healthy ingredients carefully sourced to nourish your skin. This multitasking formula reduces the appearance of pores, softens and improves skin tone. Regular use will visibly reduce the appearance of fine lines, pigmentation and skin congestion.

Suitable for: All skin types except sensitive.

SKIN RECOVERY MASK

50g

This best-selling miracle worker brings sensitive, reactive and overwhelmed skins back to life. Skin Recovery Mask effectively calms, hydrates and restores. Formulated with a blend of soothing and calming ingredients, it reduces redness, irritation and inflammation. Rosehip Oil and Aloe Vera have been added for their strengthening, soothing and calming benefits. This mask may also be left on overnight for a restorative treatment.

Suitable for: All skin types especially sensitive and reactive skins.

WAKE UP RADIANT SLEEP MASK

30mL

Wake Up Radiant Sleep Mask delivers impressive results while you sleep. This overnight, leave-on skin booster resurfaces and revitalises the skin while you rest so you wake up looking refreshed and radiant. Use as a once or twice-weekly treatment to amplify the results of your skincare routine.

Suitable for: All skin types except reactive and sensitive.

SKIN REFINING CLAY MASK

50g

Skin Refining Clay Mask deeply purifies and refines the skin with noticeable results after just one treatment. Mineral rich clays normalise sebum production, minimises the appearance of pore size and revitalises lackluster skin. Lactic Acid gently dissolves dead skin cells whilst mineral clays remove unwanted toxins from the skin for a more purified, refined skin that looks brighter and refreshed.

Suitable for: Oily, combination and acne skin types.

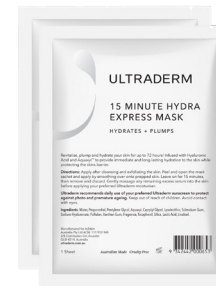

SKIN KARMA MASK

50mL

A naturally super-charged mask with a perfect blend of Aloe Vera and Allantoin to clear, soothe and nourish the skin effortlessly. Skin Karma Mask is a hydrating formula to help restore and retain the skin's moisture for a healthy-looking glow. After each use, skin appears clearer and more refreshed. It works effectively on stressed and irritated skins, brightens dull complexions and helps to even out skin tone as it gently soothes and refines.

Suitable for: All skin types especially sensitive.

15 MINUTE HYDRA MASK

2 pack

Revitalise, plump and hydrate your skin for up to 72 hours with our 15 Minute Hydra Mask. Enriched with Hyaluronic Acid, Aquaxyl™ and antioxidants, this mask rapidly improves skin hydration and optimises moisture throughout the skin matrix, improving the appearance of fine lines, wrinkles and dryness.

Suitable for: All skin types.

SKIN CLEAR INFUSION MASK

2 pack

A serum-infused sheet mask formulated with AC.NET™, Witch Hazel and Hyaluronic Acid to effectively diminish blemishes and impurities for a clear, healthy complexion. The treatment formula assists to regulate sebum activity, reduce bacteria and minimise redness and inflammation while providing long-lasting hydration.

Suitable for: Oily, combination, blemish prone and acne skin types.

SERUMS

ABSOLUTE A & E SERUM

30mL

Absolute A & E Serum combines antioxidants Vitamin A and E in a synergistic formulation that rejuvenates, refines and strengthens the skin. Cellular health and turnover are enhanced, improving the appearance of fine lines, wrinkles and other skin damage. This serum keeps your skin hydrated and nourished leaving it firm and moisturised. It also helps to soften and restore dry skin leaving it feeling supple with a healthy vibrancy.

Suitable for: All skin types especially ageing, scarring and sun damaged skin.

ABSOLUTE B3 SERUM

30mL

Absolute B3 Serum contains potent cell communicating actives to improve skin cell function and tone. It provides essential nutrients for a healthy radiant glow and promotes an even complexion. Formulated to strengthen the skin with Niacinamide (Vitamin B3), this concentrated serum also includes an anti-ageing Peptide Complex and Hyaluronic Acid for essential hydration and firmness. Can be applied in the morning and evening.

Suitable for: All skin types.

ABSOLUTE C SERUM

30mL

Absolute C Serum is an effective combination of nourishing and brightening ingredients to help improve skin tone and radiance. Providing concentrated antioxidant protection, Absolute C Serum also aids collagen synthesis helping to reduce the signs of premature ageing including fine lines and wrinkles. Additional ingredients work to brighten the skin by inhibiting melanin production and tyrosinase activity. This lightweight serum is easily absorbed.

Suitable for: All skin types.

INTENC SUPER SERUM

30mL

IntenC Super Serum is a concentrated Vitamin C serum which supports collagen synthesis for improved skin firmness, boosts cellular hydration and improves overall radiance. Three powerful forms of Vitamin C (L-Ascorbic Acid, Kakadu Plum Extract and Finger Lime Caviar) form a complex that provides superior anti-inflammatory, antioxidant and environmental protection. This ultimate Vitamin C Serum also includes Licorice Extract to help achieve a brighter, more even skin tone.

Suitable for: All skin types especially sun damaged and mature skin.

RAPID RETINOL CONCENTRATE

30mL

Rapid Retinol Concentrate contains a synergistic blend of Retinol, Peptides, Liposhield and other performance actives that work to rejuvenate, refine and illuminate the skin. It effectively reduces the visible signs of ageing such as lines, pigmentation and dryness. It also works as a barrier to prevent oxidative stress from blue light emissions. May be used in conjunction with Active Regenerating Serum for enhanced results.

Suitable for: All skin types.

ESSENTIAL RESTORE SERUM

30mL

Essential Restore Serum contains an exclusive blend of Plant Lipid Complex and Rose Oil to quickly nourish and restore damaged, dehydrated and fragile skins. The powerful blend of protecting natural botanicals and nurturing ingredients keeps the skin soft and radiant whilst antioxidants assist with oxidative stress caused by the environment and lifestyle factors.

Suitable for: All skin types especially dry, dehydrated, compromised and stressed skins.

ACTIVE REGENERATING SERUM

30mL

Active Regenerating Serum contains Ultraderm's signature ingredient Apple Stem Cells, Hyaluronic Acid and Lactic Acid to provide intense hydration and superior skin rejuvenation. Designed with a powerful combination of skin renewing ingredients to increase luminosity and encourage cell regeneration, this age-fighting serum reveals a more youthful complexion with continued use.

Suitable for: All skin types.

MOISTURISERS

SKIN KARMA MOISTURISER

75mL & 30mL UltraMini

Skin Karma Moisturiser quickly penetrates the skin to strengthen, moisturise and protect. It reduces redness and inflammation making it ideal for rosacea, eczema and other delicate skin conditions. Featuring Lactic Acid for gentle and effective skin exfoliation to promote a youthful glow and give skin vitality, this moisturiser transforms dry skin eliminating discomfort whilst leaving skin feeling comfortable and hydrated.

Suitable for: All skin types especially sensitive.

MINERAL DAYWEAR SPF 50 SHEER

75g

Mineral Daywear SPF 50 Sheer is a fast absorbing, lightweight and hydrating moisturiser with high UVA + UVB broad spectrum protection. Naturally occurring mineral Zinc Oxide provides a physical shield to deflect harmful UV rays and protect against blue light emissions and sun induced damage. Use daily.

Suitable for: All skin types.

SKIN CLEAR OIL-FREE MOISTURISER

50mL

A lightweight hydrator to help to normalise excessive sebum production, inhibit acne bacteria and soothe inflammation. This targeted acne moisturiser fights blemishes, evens skin tone and provides just the right amount of hydration to leave skin feeling comfortable without feeling weighed down or heavy.

Suitable for: Oily, problematic and acne skins.

DAILY PROTECTOR TINTED BASE + MOISTURISER SPF 30

100mL & 30mL UltraMini

A lightly textured skin perfecting cream that promotes a balanced and healthy complexion. Rich in antioxidants and minerals, this all-day base with broad spectrum SPF 30, moisturises and protects from environmental ageing, pollution and harmful UV rays whilst defending against free radical damage and skin inflammation.

Suitable for: All skin types.

SKIN RENEW TRI-PEPTIDE MOISTURISER

75mL & 30mL UltraMini

Skin Renew Tri-Peptide Moisturiser with Pepha-Age (Scendesmus Rubenscens Extract) targets the cumulative effects of ageing and provides a smoothing effect to leave skin feeling soft and youthful looking. Kakadu Plum Extract hydrates without the skin looking greasy and is perfect by itself or under makeup. With regular use, Skin Renew Tri-Peptide Moisturiser provides cumulative benefits for improved radiance, restoration and resilience.

Suitable for: All skin types.

ABSOLUTE C CREAM

50mL

Absolute C Cream contains chirally correct L-Ascorbic Acid (Vitamin C) for its superior antioxidant protection against environmental damage. It works effortlessly to defend against UV damage, aids in collagen synthesis and improves skin tone and radiance. Lactic Acid refines skin's texture and increases hydration so your skin feels comfortable, smooth and supple. For enhanced results, pair with Absolute C Serum.

Suitable for: Dry, sensitive and reactive skin.

SKIN RENEW ACTIVE NIGHT REPAIR

50mL

Skin Renew Active Night Repair is an advanced anti-ageing treatment cream that contains a potent blend of antioxidants, refiners and brighteners. It works to intensively rejuvenate, nourish and illuminate the skin. Supercharged with a blend of beneficial ingredients like Vitamin A, Magnesium Ascorbyl Phosphate and Idebenone to help increase skin firmness and clarity, reduce wrinkle depth and minimise pigmentation.

Suitable for: All skin types.

ACTIVE REGENERATING CREAM

50mL

Active Regenerating Cream is a cutting-edge volumising and tightening formula that reduces the signs of ageing. It features our unique Apple Stem Cell ingredient, which stimulates healthy cell activity and revitalises skin cells for enhanced elasticity and firmness. This cream, abundant in vital nutrients, contains potent antioxidants, Hyaluronic Acid, and Feminage® to deliver comprehensive hydration, prevent glycation and maintain skin resilience for a revitalised and youthful complexion.

Suitable for: All skin types.

ALL IN ONE BALM SPF 30

40mL

All In One Balm SPF 30 is a multi-tasking skin enhancing cream. It contains moisturisers, antioxidants and broad spectrum sunscreen in a tinted formula to provide a flawless, natural finish for men and women. The unique formula provides anti-ageing benefits in a lightweight cream without feeling like you're wearing makeup. It covers imperfections and evens out skin tone beautifully so you look your best every day. Available in 4 shades.

Suitable for: All skin types.

EYE AND BODY CARE

EYE RESTORE SERUM

15mL

Eye Restore Serum uses concentrated plant extracts and bio-peptide technology to reduce dark circles, puffiness, fine lines and wrinkles. A powerful blend of actives helps restore vital moisture and firmness around the delicate eye area to promote a radiant, more youthful eye contour. Bearberry extract helps to hydrate the skin and prevent moisture loss. This serum will also help protect your eyes against the effects of environmental damage.

Suitable for: All skin types.

ACTIVE TREATMENT LOTION

120mL

Concentrated Glycolic Acid promotes skin renewal in skins that are severely sun damaged, pigmented and prematurely aged. Active Treatment Lotion restores smoothness, refines and helps even out skin tone for a more youthful appearance. Lines and wrinkles, discolouration and loss of firmness is improved with continued use. This intense anti-ageing lotion can be used on the face or body and is great for men and women.

Suitable for: All skin types except sensitive.

EYE RENEW TREATMENT

10mL

Eye Renew Treatment provides antioxidant protection, stimulates collagen production and helps strengthen and nourish the delicate skin around the eyes for improved firmness, texture and tone. It assists in reducing the appearance of fine lines and wrinkles, dark circles and discolouration. The nourishing and reparative complex contains a blend of beneficial ingredients including cell-communicating Vitamin A and Rosehip Oil to support the skin's lipid layers.

Suitable for: All skin types.

ESSENTIAL A BODY SERUM

120mL

A luxurious yet lightweight blend of restorative botanical oils, Vitamin A and Vitamin E to deeply nourish and soften the skin. It can be used directly on the skin as well as in the bath for a nutritive soak.

Suitable for: All skin types.

HYDRA EXPRESS EYE PATCHES

3 Pack

Fast acting Hydra Express Eye Patches with Eyeliss™ help hydrate, tone and improve the appearance of tired, dark circled and puffy eyes thanks to its unique blend of illuminating, astringent and revivifying ingredients.

Suitable for: All skin types.
