

Bring Fatso peanut butter to my store!

Dear retailer, I would like to request that you carry Fatso's peanut butter products at your store. Fatso peanut butter products are the happy medium between the delicious, classic peanut butter we grew up loving and the fancypants (often overpriced!) nut butters of today. It's loaded with healthy fats and fiber, trusty peanut butter taste, chia seeds and a hint of sweetness, Fatso is here to check all the boxes.
