## September 2022

Greetings! Yes, it has been forever since we have had an actual newsletter.....and just as long since we have been able to have classes!! We are happy to announce that we are again able to offer classes. Class sizes will be limited so that no one feels too crowded and everyone receives adequate attention!! Be sure to check further on in this newsletter for what classes we will be offering.

So many things have been happening since our last newsletter, I don't even know where to begin!! I had a total knee replacement on April 13. As I was "out of commission" for several weeks, it was a very good thing that I had Bailey to "hold down the fort"!! Other than a few "bumps" in the recovery process, including emergency gallbladder surgery on August 11, I am doing well and now back in the shoppe full time. The only thing that really suffered during my "down" time were my flower beds. Unfortunately, the weeds have really been flourishing this summer. I simply refer to my garden is "au natural" this year!
