Eclectic Throw Pillow Covers

Pillow Talk - June Sings a Different Tune

Today is a very special day because it's Yolindi's birthday! Happy Birthday to our friend and founder! She's the woman with a vision on a mission and we love her.

Our team has grown to five lovely ladies who are busy sewing, designing, and running everywhere behind the scenes.

The month of May saw a lot of growth and organization in our new space. Equipment and machines were assembled and, like anything, required trial and error. New collaborations and online markets were initiated. Shelves are stocked. Tables were built. Our website has been getting a facelift.

All. Good Things.

We don't know about you, but we're hoping June brings a steady rhythm and a lot more rest. Even though the triple digit heat is upon us here in the Phoenix valley, we welcome summer with open arms.

Unik-ly yours,

The Gals

LIVE SHOPPING

Mark your calendars & set your alarms!

Tune in this Saturday, June 5th, for another live shopping event on our [Instagram page!](#)

We plan to get things @ 8:30 AM, AZ time.

Our shop is looking so good these days, we can't wait for you to see all we've been working on.

See you soon!

Got Us in Stitches

We have a new embroidery machine AND we know how to use it! But we need projects, lots and lots of them.

Did you know we offer embroidery services for more than just pillow covers? Maybe it's a Father of the Bride hanky, or grad cap, or a T-shirt -- send it in and we'll stitch away. With almost limitless color combinations, the result will be one of a kind.

And if you do want a custom embroidered pillow, know that a custom sized insert can *also* be handmade just for your Uniik pillow cover.

Send us your DIY creations!
