Eclectic Throw Pillow Covers

Pillow Talk - November News

Who's ready for pie and turkey and all the fixings?!

After this busy year, after all the upside downs and temporary turnarounds, we are so looking forward to spending a day around our family table with grateful hearts.

We know there is still a month and a half left of the year, but we are getting a head start on 2021 reflections. There is so much to be thankful for (read below for specifics).

For example, earlier this year we signed on with the nonprofit organization Mended Hearts to provide every facility and patient with custom pillows. If you missed that blog last month, read it [here](#).

Don't forget this month's poll and only-for-you discount code at the end of this newsletter!

Happy Thanksgiving.

Uniik-ly yours,

The Gals

- Hard working employees, both new and tenured!
- Loyal customers - we'd only be a dream without you!
