Eclectic Throw Pillow Covers

## Pillow Talk - Wonders of October

Merry HalloThanksMas!

This time of year just flies for all of us. We are either too busy having fun or just plain too busy.

From fall festivals and pumpkin carvings to setting the table for a Thanksgiving feast, to decking our halls and then throwing New Year's Eve balls, our calendars are bursting at the edges.

No matter how packed your schedules are, don't forget to slow down and take it all in. We hope the next few weeks are filled with laughter and family days to remember.

As far as the UniikPillow shop, we've been hard at work fulfilling bulk orders and prepping for the holiday season. You are welcome to stop by at any time to check out our inventory or discuss a custom design.

Read to the end of this newsletter for your monthly discount code and a fun poll to kick off the season.

Happy fall, y'all!

Uniik-ly yours,
