Eclectic Throw Pillow Covers

Pillow Talk - April Goodness

All Fridays are good, but today is a *really* Good Friday. Like a 5-star kind of Friday.

We've been in business since 2016, and THANKS TO ALL OF YOU READING THIS NEWSLETTER and your **2,000+ reviews**, we have a **5-Star rating on Etsy and Amazon!**

Even more good news, we've just signed on with **Wayfair**. So, if you happen to be shopping for other home decor, or hot tubs, or really anything on that platform, you'll have access to all of your favorite Uniik Pillow collections, too!

Lastly, we can *finally* rejoice because our back-ordered-for-months **heat press machine** is on its way! Why is this exciting? Well, for one, we'll be able to quadruple our production line and get orders done faster. More excitingly, though, we'll be able to print **26 inch dimension** pillow covers. That's a whole lotta pillow, and we know you're down for it!

Too much good news for one newsletter? Never.

Don't forget, we've moved - we'd love for you to see the place. Stop on by any time during regular weekly hours!

We hope your Friday, your Easter, and your home are as good as ever.

Uniik-ly yours,

The Gals
