Eclectic Throw Pillow Covers

Pillow Talk - December Disclosures

As this year draws to a close, we want to reflect on all the good things from 2020.

Each of us are affected in myriad of ways, and we want to acknowledge the hard times some of you have endured. The trials from the past few months have made us thankful for our loved ones while many have said goodbye to some as well.

On the business side, we have had to adjust our focus on a different market front, pivoting to sewing face masks. We are absolutely humbled at the outpouring of love and support shown to our small business throughout 2020.

We sincerely appreciate each and every one that has been a part of UniikPillows in some way. May you have a wonderful holiday season with family and loved ones and hold them tighter than ever. We know it's going to look different this year, but may you find peace, love and joy nonetheless.

Uniik-ly yours,

The Gals
