Eclectic Throw Pillow Covers

Pillow Talk - Fresh and February

Whether you have a significant other to adore, a galentine's party to attend, or a self-care date with discount chocolates, there's plenty of reason to be festive this February!

If we learned anything from 2020, it's that we should be celebrating the small things! Make an excuse to spoil your friends, family, spouse, or yourself this upcoming Valentine's Day. Maybe it's a sweet picnic, farmer's market flowers, a quiet bubble bath, a candlelit dinner with your favorite person, a road trip, or simply a coffee date with friends - let the celebration be what it is. Live and love in the moment.

Seriously, it's been a hard year already and we're only a month in! Let off some steam and embrace all the many forms of love in your life.

As we mentioned last month, we're in the process of relocating. Moving is so exciting but also so messy; we appreciate your patience at this time and can't wait to share the new place with all of you soon!

Uniik-ly yours,

The Gals
