Eclectic Throw Pillow Covers

Pillow Talk - March Merriment

With spring on the horizon, it's easy to get excited as nature, and our bodies, begin to awaken from winter's hibernation. As baseball season starts up and the sun stays out longer, a lot of us find ourselves outdoors. Maybe you're an avid gardener, a home-improvement DIY-er, or maybe hiking, vintage shopping, or playing sports are your thing. First of all, if you're looking for a pillow that covers one or all of these categories, you're definitely subscribed to the right site, *wink*. But whatever and wherever you find joy, we hope you focus all of your efforts on it this month!

If you're like us and feel like time is racing too fast for you to check off all your to-do lists, much less make time for enjoyment, take a step back. Yes, adulting must get done, work waits for no one, but a good break sure boosts our morale! Life is meant to be lived in the here and now. Set aside time to make the most of it this March!

Unik-ly yours,
The Gals
