Eclectic Throw Pillow Covers

Pillow Talk - May

We trust your nest was cozy and full this past Mother's Day! While many were likely still under quarantine restrictions, we'd love to hear how you celebrated in unique, creative fashion. Hopefully you were spoiled, or at least treated yourself well!

There have been many **exciting developments** to our little business over the last few weeks, and even more to come.

You might notice [our website](#) got a facelift and is looking fresh! Besides sewing up a **face mask** storm to keep our local Phoenix family safe (more info below), our fun-sized shop is also now **printing pillow designs in-house**. Now we can run your orders at full speed, keep our growing staff supplied, and overall, **less hands** are involved. Wins all around. But you know what else it means? Customizations a-plenty!

Expect to see **more specialty pillows** in the coming weeks--read further to find out what we have planned! We want to give our customers a true boutique experience even while shopping online. So, we are taking the time to get organized and stocked up in order to give you the best you deserve.

Hang in there and stay healthy, friends! This will all be behind us soon enough.

Uniik-ly yours,

The Gals

Quarantine Creations

Local medical professionals everywhere are running out of supplies, but we don't all need medical masks to go to the store! So we are here to answer the call and lend a helping hand. Head to our site to search our **customizable face masks** and pick your favorite prints and patterns.

These **hand sewn, high quality masks** start at just \$5.95 each, while the **cup style** is **\$15**. Made from soft cotton, with different ear attachment options, these face masks are comfortable enough to wear all day if necessary.

Know a nurse or two? Feel free to grab a few to share--**for every 5 ordered by customers we will donate the 5th one to a local facility!**

In fact, we've already donated over **250** masks to Banner Health in Thunderbird and Surprise, our local church, and facilities like Morningstar MemoryCare, to name a few!

If your organization wants to buy masks in **bulk**, send us a message so we can get you squared away.

May Days

Feeling isolated? Get decorated!

Memorial Day is on the **25th**, and **Fathers Day** is about a month away, but summer means all things floral and bright are welcome changes too!

However, our hearts go out to the **Class of 2020** in the midst of all of this. Do you have a high school or college senior in your home you'd like to honor?

Coming soon, we will be adding **graduation themed pillows**, a **baby line**, and **wedding designs** to our pillow collection!

Until then, take a browse through our categories of artistic quotes, polka dots, animals, sports, farmhouse styles, and more!

A tiny update can go a long way in boosting your #quarantine mood!

Remember, as always, products

can be purchased online. While the stay-at-home orders for Arizona are slowly being lifted, though, if you'd like to **skip shipping** costs altogether feel free to order online and request **local pickup** from our shop!
