WINES BY THE GLASS

GLASS

Available All Week by the Glass (Unless You Drank Too Much of Them)

- BEGIN WITH BUBBLES:** Roederer Estate 'L'Ermitage' Brut - Anderson Valley 19
This is their good S--t. ...REALLY good Sh--. There ain't no -h-t like this --it. Pinot & Chardonnay.
- CHARDONNAY:** Sold de Sol - Malleco Valley, Chile 14
Texturally rich yet electrically nerved (scallops!!) like a good Macon. 340 miles SOUTH of Santiago
- DRY PINK:** Prima Materia Rosé - Kelsey Bench, Lake County 10
Primitivo, Barbera, and Aglianico. More than the usual amount of thoughtfulness applied to pink.
- DARN GOOD DRINK for the ¢:** Plus de Vie Red Wine - San Francisco Bay 9
Normally 25.99. Buy 6+ for 18.99 each. Mourvèdre, Grenache, Syrah from Livermore/Oakley.
- PINOT NOIR:** Poundstone - Carneros, Napa Valley 20
If the richness is moderated this vintage I'm glad: The nerve amid the fruit keeps me engaged.
- CHATEAUNEUF SPLURGE:** Mordorée 'Voyageuse' - Chateaufneuf du Pape, France 28
90% Grenache, 4% Mourvèdre, 4% Syrah, 1% Counoise, 1% Vaccaresse. Sought-for producer.
- BIG NAPA:** Acumen - Napa Valley 27
Total validation for the existence of our Red Collector Club. You're in big trouble.
