

## maude central otago pinot noir 2006

Deep ruby garnet. Perfumed soapy aromas give way to fruit cake cherries and spice scent while the lifted, spicy flavours and cherry and plum fruit have a deep earthy, savoury, smoky and slightly tarry undercurrent.

It's quite a gutsy wine with firm tannins, a hint of stewed tamarillo loitering in the background and another bright flourish of spice on the concentrated, long, savoury, full-bodied finish.

Fruit sourced from four subregions.
