# PRODUCT SELECTION GUIDE.

100% COMFORT GUARANTEED.

# TAKE A STEP FORWARD IN COMFORT WITH STEEL BLUE.

If you work on your feet all day, comfort is absolutely essential. So demand the 100% comfort of Steel Blue work boots.

## AN INSIDE VIEW OF OUR TRI-SOLE™ COMFORT TECHNOLOGY.

Steel Blue's unique soling system cushions your feet, knees, hips and lower back from day-to-day fatigue.

Tri-Sole™ Comfort Technology works by strategically placing pads, made of the high-tech material PORON®, in the sole and under the peak stress areas of the foot. It's proven that multi-density soling is much more effective in cushioning and absorbing shock than a standard footbed.

## THE FIRST STEP TO BETTER BODY HEALTH.

Steel Blue's comfort technology absorbs more shock, cushioning your feet from day-to-day fatigue.
