

Our recommended size already includes sufficient rolling room. If you prefer more space or have wider feet, we recommend choosing one size larger.

Adult feet (EU 36 to 48)

1.

Place a credit card or other ID card here to make sure that the Fitkit is printed at 100% zoom/scale.

2.

Fold the sheet along the dotted line and place it against a wall. When measuring, wear the **thickest socks** you plan to wear with the shoes.

3.

Compare both feet and mark the spot where the longest toe ends with a **thin pen held upright**.
