

Our recommended size already includes enough space for feet that are still growing, in addition to rolling room to ensure a healthy range of motion while walking.

# Growing feet

## (EU 36 to 48)

- 1.**

Place a credit card or other ID card here to make sure that the Fitkit is printed at 100% zoom/scale.
- 2.**

Fold the sheet along the dotted line and place it against a wall. When measuring, wear the **thickest socks** you plan to wear with the shoes.
- 3.**

Compare both feet and mark the spot where the longest toe ends with a **thin pen held upright.**

85.60mm

53.98mm
