

## BRACELET SIZING GUIDE

1. Print this guide at 100% size.
2. Cut out the sizing guide and cut a slit at the top.
3. Wrap the sizing guide around your wrist and feed the end through the slit.
4. The number that is closest to the slit is your wrist circumference (in inches).
5. Add 1/4" to 1" to your wrist circumference when ordering a bracelet for a comfortable fit.
