

DIESEL POLY UTE TANK KITS

A versatile and robust ute pack designed and manufactured in Australia to safely store and dispense your diesel.

These tanks are strong and manufactured to withstand the treatment in the back of the ute.

A strong, reliable Italian designed pump will deliver the diesel every time, with an auto-trigger nozzle to ensure you don't overfill.

INCLUDES:

- 50LPM Piusi Diesel Pump
- Lockable lid – protects all components
- UV protected
- Earth strap
- Auto trigger nozzle
- 4m Diesel-grade hose
- Isolation switch
- Battery connection clamps – alligator clips
- Vented Fill Cap
- Capacity 100 ltr
- 5-year warranty

Also Available:

- Fuel gauge
- In-line wire strainer
- Gas struts to keep the lid out of your way
