EM SERIES ELECTRONIC DISPENSE METERS

EM Series handheld and in-line meters are designed to last – from small service centers and lubrication trucks to heavy-duty repair facilities. Choose from 8 or 20 gpm (30.3 to 75.7 lpm) hand-held models or our 20 gpm (75.7 lpm) in-line meter.

Graco's EM Series meters are backed by our robust warranty and feature upgraded electronics and easy-to-read LCD with simple operator controls that measures in quarts, gallons, pints and liters.

FEATURES:

- Twist-Close Nozzle Prevents Leaking - Multiple extensions available including rigid, flexible and gear lube.
- High-Flow Rates - Capable of up to 20 gpm (75.7 lpm).
- Legacy Valve - 3/4 inch (19 mm) inlet, compatible with oil and Antifreeze.
- Prevent Accidental Dispenses - Easy-to-hold locking handle.
- Proven in Harsh Conditions - Sealed electronics (IP69K) are protected against direct pressure washing and dust.
- Long Battery Life - Features upgraded electronics and easily replaceable AAA batteries.
