

## PM SERIES PRESET ELECTRONIC DISPENSE METERS

Use Graco's PM8 and PM20 electronic preset meters to dispense fluids quickly, reliably and accurately to vehicles, trucks, yellow iron machines and more in the most challenging, extreme environments.

### FEATURES:

- Proven in Harsh Conditions - Sealed electronics (IP69K) are protected against direct pressure washing and dust.
- Twist-Close Nozzle Prevents Leaking - Multiple extensions available including rigid, flexible and gear lube.
- Long-Life Valve Design - Poppet design offers exceptional valve life for heavy usage applications.
- Easy Valve Operation - Ergonomic four-finger trigger for user comfort protected by a robust full length trigger guard.
- Durable Cast Body - Designed for heavy duty and harsh applications.
- High-Flow Rates - Capable of up to 8 gpm (30.3 lpm).
- Long Battery Life - Features four easily-replaceable AA batteries.

### PM PRESET DISPENSE METER RANGE:

	Manual/ Preset	Max Working Pressure	Max Flow Rate	Intended Use	Extension	Inlet inch (mm)	Fluid Inlet/Outlet	Part Number
<b>Petroleum-Based Oil, Synthetic-Based Oil, Antifreeze</b>								
PM8	Preset	1,500 psi (103.4 bar)	20 gpm (76 lpm)	Indoor/ Outdoor	Flex	1/2 (13) - NPT	F/F	273157
PM20					Flex	1/2 (13) - NPT		273166
PM20					Flex	3/4 (19) - NPT		273168
PM8					Rigid	1/2 (13) - NPT		273156
PM20					Rigid	1/2 (13) - NPT		273165
PM20					Rigid	3/4 (19) - NPT		273167
<b>Grease Lube</b>								
PM8	Preset	1,500 psi (103.4 bar)	20 gpm (76 lpm)	Indoor/ Outdoor	Rigid	1/2 (13) - NPT	F/F	273158
<b>Antifreeze</b>								
PM8	Preset	1,500 psi (103.4 bar)	20 gpm (76 lpm)	Indoor/ Outdoor	Flex	1/2 (13) - NPT	F/F	25U086
PM8					Rigid	1/2 (13) - NPT	F/F	25U085
