

70LPM COOLANT CONTROL GUN

Item code: CCG-01

MACNAUGHT has introduced a coolant specific control gun to transfer lubricants and other fluids around the workshop with greatest efficiency. The CCG control gun complements Macnaught's coolant compatible pumps and RETRACTA hose reels, and is made from durable polymers.

FEATURES:

- Coolant control gun made in corrosion resistant plastic.
- Max pressure 2,500kPa (365psi).
- Flow rate up to 70L/min.
- It has a 3/8" BSP(F) swivel and long trigger allowing maximum physical and flow rate control.
- Inlet swivel 3/8" BSP Female.
- Latching Trigger.
- Wetted Parts include polypropylene, brass, zinc plated mild steel, nitrile.
- Maximum Temperature 50°C.
- Weight 0.5 kg.
- Rigid Extension.
- 5 Year Warranty.
