

CLEAR CAPTOR WATER FILTER

Item code: F00611B10

The PIUSI CLEAR CAPTOR is a range of cartridge filters that can be applied both on suction or delivery flow directions. They are equipped with a high-performance cartridge and a plastic container to collect all eventual impurities or water particles that may be present in the fluid. Thanks to the valve at the bottom of the container, it is possible to remove contaminations quickly and safely to ensure the maximum possible filter life.

FEATURES:

- Suitable for Diesel, Biodiesel & Gasoline,
- Replaceable Cartridge,
- High Efficiency,
- Small in Size,
- 70Lpm flow rate,
- 5 Bar Max Operating pressure,
- 2 β /5 μ Filtering Capacity.
