Vintage Calibre Prior to 1985	Estimate Required	-

The following operations are included in the price of a service: check, adjustment and rate control; replacement (if necessary) of the crown, pushers/corrector, gaskets, battery and hands; restoration of water-resistant with the necessary spare parts (if the model is waterproof); ultrasonic cleaning of the case and metal bracelet; refurbishment (satin finish) of the gold and/or stainless steel case back.

All servicing carried out by Longines UK is accompanied with a 24 month warranty and subject to a £20.00 handling charge to cover post, packaging and insurance.

Declined estimates are charged at £20.00 to cover admin and postage costs.

Other Work

- Battery & Water Resistant Testing: £30.00
