		Quartz	£185.00	£420.00
	Chronograph	Mechanical	-	£720.00
		Quartz	£315.00	£620.00

The following operations are included in the price of a service: check, adjustment and rate control; replacement (if necessary) of the crown, pushers/corrector, gaskets, battery and hands; restoration of water-resistant with the necessary spare parts (if the model is waterproof); ultrasonic cleaning of the case and metal bracelet; refurbishment (satin finish) of the gold and/or stainless steel case back.

Additional Prices

Dial Replacement (Current Model)*	Estimate Required
Dial Restoration*	£720

*Please note, both dial operations require at least a partial service and will be charged additionally as per the calibre type.

Case Polishing *	£115.00
Bracelet Polishing**	£115.00

*In order to polish the case, the watch is opened and disassembled. A partial service is therefore necessary and will be charged additionally as per the calibre.

**Not suitable for plated steel or ceramic bracelets
