INTRODUCTION

ABOUT THE QUILT:

The Archive Quilt pattern is constructed using solid squares and striped rectangular blocks. The quilt on the cover was made using Painter's Palette Solids™ from Paintbrush Studio Fabrics™.

ABOUT THE DESIGNER:

Heather Akerberg (@gladhand_sews) is a quilter from Omaha, NE, and a member of the Omaha Modern Quilt Guild. She enjoys imagining quilt designs and the challenge of figuring out how to construct them. ASSEMBLE YOUR BLOCKS

CREATE YOUR STRIP SETS

1. Refer to the table on the right for guidance on the color groupings for your strip sets. You'll create 2 strip sets for each color grouping.
2. Place two fabrics (3 3/4" x 21" and 5" x 21" strips) from a color grouping RST and sew along the 21" edge.
3. Place the third fabric (2" x 21" strip) from the color grouping RST. Sew as shown in Diagram 1. Repeat for the remaining strip sets.
4. Press seams as you wish—either toward the dark side or all open to decrease bulk.
5. If needed, trim any excess from the 3 3/4" strip, so that your strip set measures 9 1/2" wide. From your strip sets, cut a total of (5) 9 1/2" x 6 1/8" blocks of each color grouping. See Diagram 2.

COLUMN & QUILT ASSEMBLY

Pay close attention to where your colors fall.

ASSEMBLE YOUR QUILT IN COLUMNS

6. Following the final assembly diagram below, sew (5) $9\frac{1}{2}$ " squares and (5) $9\frac{1}{2}$ " x $6\frac{1}{8}$ " striped blocks together to form a column, keeping each block oriented according to the diagram.
7. Repeat step 6 for a total of (6) columns, making sure to follow the assembly diagram.
8. Sew the (6) columns together to complete your quilt top.

FINISH YOUR QUILT

ASSEMBLE YOUR BACKING

9. Assemble your backing by sewing your pieces with $\frac{1}{2}$ " seams that will lay horizontally across the back. Using a $\frac{1}{2}$ " seam allowance, sew the 63" x WOF pieces along the 63" edge.
10. Press the seam open.
11. Make your quilt sandwich: backing wrong side up, batting and quilt top right side up.
12. Baste and quilt using your desired method.
13. Once quilted, square up the quilt.
14. Prepare your binding and bind the quilt using your desired method.
