# ARTIST GARDEN GRID QUILT PATTERN

---

Artist Garden Grid is a quilt designed to complement PBS Fabrics' Artist Garden collection by Ampersand Design Studio. The quilt pattern features a new take on the traditional quilt block to highlight the fun, funky prints of this fabric collection.

This pattern features six unique block designs that are each repeated twice. The repeated blocks are rotated and feature different prints to give the impression of twelve different blocks.

Read the pattern fully before starting your project.

## NOTES

---

- 1/4" seams used throughout
- Press fabrics before cutting
- Calculations are made for 42" width of fabric
- BKG - background fabric

### HOW TO MAKE A HALF SQUARE TRIANGLE

#### STEP 1

Cut and place two squares of fabric right sides together. Draw a line diagonally from one corner to the opposite corner.

#### STEP 2

Sew 1/4" from either side of the line; backstitch at each end to secure the seams.

#### STEP 3

Cut along the drawn line, open fabric pieces and press.

First create the HST for each block.  
(beginning size = 3 7/8")

Next cut and stitch the small squares together.

Last, piece the four larger squares together.
