

# ASYMMETRICAL THROW PILLOW

18" square · designed by Handmade in the Heartland for Paintbrush Studio Fabrics™

## SUPPLIES

- 3 fat quarters
- 3/4 yard of solid fabric
- 1 18x18" throw pillow
- matching thread

## CUTTING INSTRUCTIONS

- Cut 2 pieces 12" x 19" in solid color for back
- Print out pattern pieces\* and cut 1 of each piece
- #2 should be solid color, the other 3 pieces should be different prints

## INSTRUCTIONS

- 1.** With each of the 12"x19" pieces on one of the 19" sides fold it under 1/2", press it flat and sew the edge down at 1/4". This is an envelope pillow cover, these two pieces will overlap letting you put a pillow in through the back of the pillow cover.
- 2.** Sew the pattern pieces together in number order- 1 to 2, then those two pieces to 3 and then all 3 pieces to 4. Sew using 1/2" seam allowance. Press all seams after you sew them.
- 3.** Lay the pieced front of the pillow right side up. Then lay one of the 12 x 19 piece right side against the right side of the pieced top matching the sides and top. Do the same thing with the next 12x19 piece matching to the bottom and sides of the pieced front. The short sides of the back fabric will overlap several inches. Pin together around the entire outside of the square.
- 4.** Sew together using a 1/2" seam allowance. Turn right side out and iron seams and front. Slip an 18x18" pillow into the back and enjoy your beautiful new throw pillow!
