Piecing the Blocks

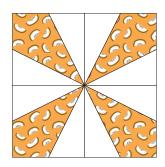

Blocks are assembled using paper piecing techniques. Use a 1/4" seam allowance for all stitching. Reduce stitch length when paper piecing to make removing the paper easier.

- 1. Make (64) copies of the paper piecing template.
- 2. Using your preferred paper piecing method, stitch (1) quarter block unit using (1) $6" \times 11-1/2"$ Slices on Orange piece and (2) $4-1/4" \times 9-3/4"$ White Solid pieces. Make (4) matching quarter block units. Do not remove the paper patterns until the completed blocks are sewn into the quilt top.

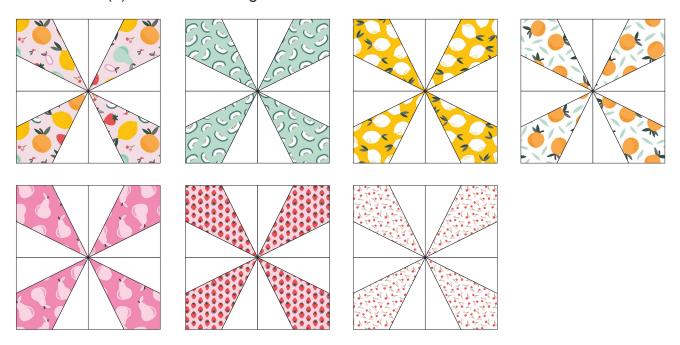

3. Lay out the quarter block units into (2) rows of (2) units each as shown. Sew the units into rows and join the rows to complete (1) 14-1/2" square block. Make a second Slices on Orange block.

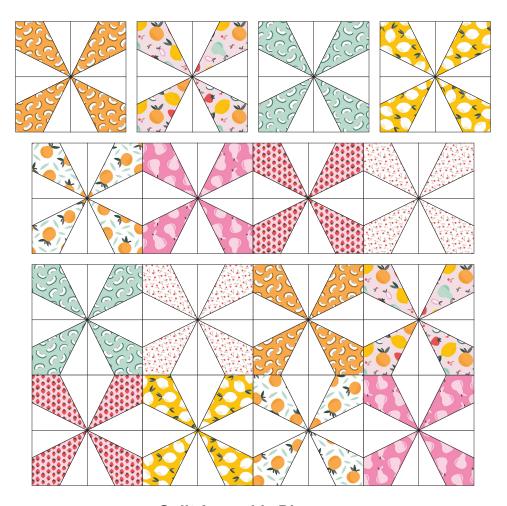

4. Make a total of (2) blocks each using the indicated fabrics.

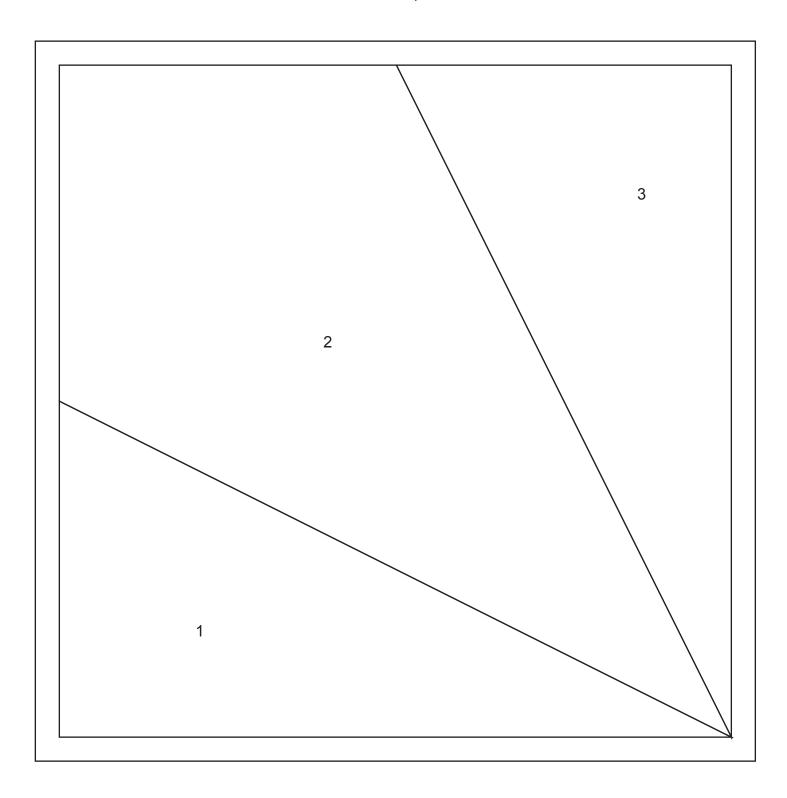

Completing the Quilt

- 1. Lay out the blocks into (4) rows of (4) blocks each. Sew the blocks into rows and join the rows to complete the quilt top. Remove the paper patterns.
- 2. Remove the selvedge edges from the backing pieces. Join the pieces on the long edges with a ½" seam allowance. Press seam open. Trim to make a 64" square backing piece.
- 3. Layer, baste and quilt. Use the (6) 2-1/4" x WOF Strawberries on Pink strips to bind the quilt.
