**Shea Gloves** deliver a powerful surge of moisture to restore essential nutrients and instantly soothe extremely dry skin. These ultra-nourishing hand masks are comfortable to wear and easy to work with on the nails. They take no extra time, and your client gets to enjoy a relaxing, moisturizing spa treatment!

### How to use:

1

2

3

4

1. Remove polish from clean hands and shape nails.
2. Put on gloves and gently massage over the nails and hands.
3. Cut finger tips and pull back to expose fingers. Push back cuticles.
4. Remove gloves and massage in remaining product. Wipe off nail plates and apply polish.
