Shea-Socks deliver a powerful surge of moisture to restore essential nutrients and instantly relieve extremely dry skin. These ultra-soothing foot masks are comfortable to wear and easy to work with on the nails. They take no extra time, and your client gets to enjoy a relaxing, moisturizing spa treatment!

How to use:

1. Thoroughly wash and dry feet. **2.** Put socks on the feet and gently massage over nails, cuticles, and heels. **3.** Leave on for 15-20 mins then remove. **4.** Gently massage any remaining product into the skin.
