

CHOOSING YOUR MINE PRO SPRAY MIST

PROFESSIONAL SPRAY TAN SOLUTIONS FOR EVERY SKIN TYPE & TONE

At Mine, we believe a tan should be just as unique as each individual client. One shade does not fit all. Our spray tan solutions are so much more than light, medium and dark. With the Mine range of Pro Spray Mists, you can customize a bronze glow based on the skin type, tone and desired skin finish of your client. From a golden sun kissed glow to a deep, rich warm dark tan to the deepest, darkest of all ultra dark self tanners, you can give a professional, customized skin finish your customers will keep coming back for.

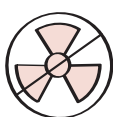

From our True Bronze Tones, to our best selling Color Base formulas to our premium quality Tanning Treatments for effective specialty results to meet the specific needs of your client.

100% vegan & cruelty free

100% natural DHA

Paraben, palm oil, mineral oil & sulfate free

Recycled materials

Sustainably Sourced

COLOR CORRECTING

MINE COLOR BASE PRO SPRAY MIST COLLECTION

Much like your hair color or cosmetics, your color base tan can be selected based on your desired end result and skin finish. It doesn't matter what your skin type or tone is, all our color base cosmetic tans suit all types and tones. By using a color base tan you are in control of your skin finish.

	FINISH	HOW IT WORKS	WHO'S IT FOR?	BENEFITS	THE LOOK
	Not too light and not too dark, Caramel Pro Spray Mist is perfect for those looking for a classic, sun kissed, golden skin finish in as little as one hour.	A mix of golden caramel bronzers works best with lighter skin tones for a classic, golden glow.	Complements fair, yellow skin tones.	The caramel base adds a healthy, classic glow for a natural, sun kissed finish.	A radiant, everyday classic tan.
	Our original green base professional formula loved by salons and now self tanners. Olive Pro Spray Mist maximises your skin's deepest potential, capturing your natural skin color and amplifies it with super dark results.	A mix of green and dark brown bronzers works with all skin tones to amplify your natural color.	Complements all skin tones.	The green base amplifies your skin's natural color for a natural olive bronze finish.	Beach bronze babe.
	Look like you've just stepped off the beach in Positano or flew in from a Mediterranean holiday escape. Violet Pro Spray Mist gives you a rich, warm super dark brown skin finish in as little as one hour.	A mix of violet and dark brown bronzers counteracts yellow and orange undertones in your skin to deliver a natural looking rich, warm tan.	Complements naturally olive skin tones.	The violet base adds warmth and vibrancy for a richer brown skin finish.	A flawless, airbrushed skin finish.
	Look like you've just returned from Rio. Dark Ash Pro Spray Mist gives you a cool, intense super dark brown skin finish in as little as one hour.	A mix of dark ash brown bronzers counteracts red and gold undertones in your skin to deliver a natural looking, cool intense tan.	Complements fair, reddish skin tones.	The dark ash base cools down reddish skin tones for an intense brown skin finish.	An alluring, deep mid-summer look.
	For a dramatic look you can take from day to night. The ultra reflective tones in Blue Black Pro Spray Mist captures the light, reflecting it for a bold brightening effect. Blue Black gives you a deep, rich super dark brown skin finish with cool undertones in as little as one hour.	A mix of blue and black bronzers counteracts cool, yellow and red undertones in your skin to deliver a natural looking, deep dark tan with cool undertones.	Complements darker skin tones.	The ultra reflective tones in the blue black base adds a bold, brightening effect to your skin.	Bold, dramatic, day-to-night look.
