lycon SKIN

CLEARLY MORE BEAUTIFUL SKIN!

LYCON Skin bioceutical skincare provides complex 'superhero' ingredients in LYCON's new Adaptive Skin Science technology, making each product multi-faceted and multi-functional, which shifts the paradigm of what skincare should be. LYCON Skin is a succinct, fully functional skincare collection of remarkable, intelligently crafted formulas featuring scientifically advanced quality ingredients that make the skin continuously think and behave as though it is young again and provides early anti-ageing benefits. Skin improvements can be seen from the first use, while long lasting results continue to build with regular use.

No two skins are the same, and most have a combination of various concerns on the face, with conflicting needs. This is dependent on the skin's chemistry, climatic conditions, pollution factors, genetics and nutrition, as well as environmental and emotional stress factors. All of this can be challenging and confusing when it comes to knowing how to best treat the skin.

This is not a problem with LYCON Skin Adaptive Skin Science technology, which encompasses a holistic formulation approach, making each product adaptable and responsive to multiple skin conditions simultaneously. This technology understands the intricacies and nuances of the skin, allowing for each product to uniquely deliver what the skin needs. One example of this formulation approach is the inclusion of Yeast Beta-Glucan, the LYCON Skin signature ingredient throughout the collection. This multi-functional biotech ingredient delicately communicates with all skin types to enhance the natural protective, antioxidant, detoxifying and restorative functions.

Developed with detailed consideration of the various global climatic challenges, as well as the harsh Australian environment. These unique LYCON Skin formulas are further boosted by highly researched and results-oriented Australian botanical extracts: Kakadu Plum, Illawarra Plum, Burdekin Plum, Kangaroo Paw Flower and Caviar Lime.

This highly effective and adaptable skincare collection can be seamlessly incorporated into professional treatments due to its streamlined number of products. And yet, even with its simplicity, all skin types can be effectively improved with complete confidence, much to the delight of both therapists and clients. In addition, the convenient, results-orientated home care range suits all skin types, making it easy to stock and recommend.

Packaging is important! That is why LYCON Skin serums and creams are conveniently packaged in airless pump bottles that keep them fresh and hygienic.

Brighter, firmer, more refined and younger looking skin with Lycon Skin!

CLEANSERS

One of the main priorities at the start of any facial treatment or home care regime is to thoroughly cleanse the skin to remove makeup, pollution, grime and product residue, and to exfoliate as necessary. To ensure optimum results, it is important the skin is clean before other products are applied.

Micellar Facial Cleansing Gel

200mL . 500mL

Suitable for all skin types

With Australian Kakadu Plum, Illawarra Plum and Burdekin Plum Extracts, Anti-Pollution Marine Extract

A lightly foaming non-drying cleanser which gently and effectively removes makeup, excess oils, urban pollution and grime using smart micellar and EXO-P™ technology. It contains hard working anti-pollution EXO-P™ Marine Extract and a trio of antioxidant rich Australian fruit extracts. Micellar Facial Cleaning Gel rinses off easily, revealing clean, soft, more toned and refreshed skin.

Eye Makeup Remover

125mL

Suitable for all skin types

With Olive Squalane, Pro-vitamin B5, Aloe Vera, Rose Water

A creamy gel cleanser with Rose Water and Olive Squalane to rapidly remove all traces of eye makeup, mascara and impurities, while being super gentle on the delicate skin around the eyes. Pro-Vitamin B5 and Aloe Vera help to moisturise and condition the skin and eye lashes. Leaves the eyes looking fresh, clean and comfortable.

Gentle Cleansing Scrub

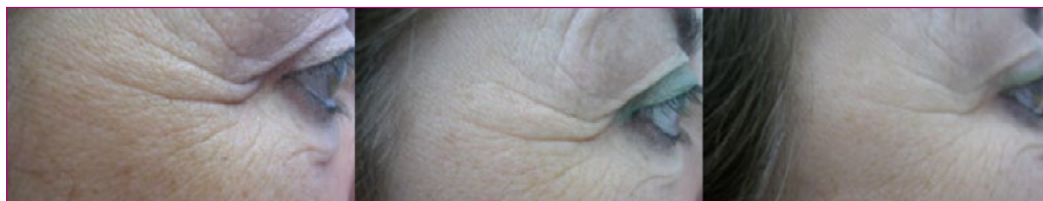

75mL

Suitable for all skin types

With Bamboo Fibres, Caviar Lime AHAs, Anti-Pollution Marine Extract

A professional creamy facial scrub to gently exfoliate, cleanse and detoxify impurities, including makeup. It contains the remarkable anti-pollution EXO-P™ Marine Extract, antioxidant rich Australian superfruit extracts from Kakadu, Illawarra and Burdekin Plums, Caviar Lime AHAs, plant cellulose beads and bamboo fibres, which effectively reveal refined, fresh and radiant skin.

*EXO-P™ is patented and used under license from Lucas Meyer Canada.

BEFORE

AFTER 4 WEEKS

AFTER 8 WEEKS

SEE THE RESULTS

Skin analysis before, after 4 and 8 weeks of use with low molecular weight Hyaluronic Acid. This efficacy study uses the same key ingredient and dose used in Revitalizing Hyaluronic + B5 Booster Serum. Individual results may vary.

SERUMS

Serums are formulas designed to rapidly target specific skin concerns. Used at the end of facial treatments and daily at home as part of a routine, serums boost and build outstanding visible results. The multi-faceted LYCON Skin range boasts three must-have serums: Eye Lifting Gel-Crème Serum, Revitalizing Hyaluronic + B5 Booster Serum and Exotic Oil Complex.

Formulated with LYCON's holistic Adaptive Skin Science technology, these outstanding serums are gentle, results driven skin cocktails. Perfect to apply at the end of facial treatments and ideal to recommend to clients for daily home use to effectively strengthen and help protect the skin against everyday environmental aggressors and free radical damage. They boost skin elasticity and skin renewal, while also restoring and supporting skin hydration and barrier function.

LYCON Skin serums calm sensitive skin and help to visibly correct the first signs of ageing, dullness, fine lines and wrinkles. These multi-action serums have cumulative results and are ideal to use from a young age to help delay the visible signs of early ageing, and are absolute must-haves for older skin to reduce the visible signs of past damage in a short time. **Multi-tasking at its best!**

Eye Lifting Gel-Crème Serum

15mL

Suitable for all skin types

With Hyaluronic Acid, Energising Algae Extract, Firming Kangaroo Paw Flower Extract

A multi-functional gel-crème serum for the eye area. Fortified with a premium blend of Australian Kangaroo Paw Flower Extract, wrinkle-reducing Peptide, energizing Microalgae Extract, and triple-weight Hyaluronic Acid Complex. It synergistically combats the appearance of fine lines and wrinkles, visibly reduces crow's feet, improves skin texture and reduces under-eye darkness and puffiness.

SEE THE RESULTS

Revitalising Hyaluronic + B5 Booster Serum

30mL

Suitable for all skin types

With Hyaluronic Acid, Pro-Vitamin B5, Yeast Beta-Glucan

Featuring dual-weight Hyaluronic Acid, this intensive lightweight serum provides an instant moisture surge to plump skin from deep within. With Pro-Vitamin B5 and Yeast Beta-Glucan, it effectively strengthens, firms and helps protect the skin against environmental damage, helping to delay the visible signs of ageing.

Used regularly, this effective fast acting serum transforms the skin to appear remarkably refreshed, smoother, less lined, less wrinkled and more radiant with a youthful dewy glow.

Exotic Oil Complex

15mL

Suitable for all skin types

With Rosehip, Argan, & Amazonian Cacay Oils, Vitamins C & E, Q10

An exotic, lightweight, deeply hydrating and reparative oil blend with revitalising Rosehip, Argan and Amazonian Cacay Oils, Vitamins C and E and Co-enzyme Q10, that work together to combat the effects of free radical damage and pollution. Additionally, Paracress Daisy and Astragalus plant extracts rapidly smooth and firm the skin, visibly reducing fine lines and wrinkles. Suitable for the face, neck and décolleté.

MOISTURIZERS

Using skincare daily is important, but using the right skincare at the end of facial treatments and at home is key, considering everyone's wish is to easily and quickly achieve skin that looks younger and feels better.

Generally, the universal goal for skincare is to protect the skin, boost hydration, improve skin firmness and brightness, reduce the development of wrinkles and sagging skin and create a youthful glow. It is essential to start taking good care of the skin early, as the negative signs of ageing begin to appear in the early twenties. LYCON Skin has been scientifically developed to deliver optimal, long lasting improvements in a way that is easily achievable for all skin types.

LYCON Skin excels in delivering multiple benefits that can easily be seen and felt. It actively and quickly strengthens the skin's barrier functions, boosts collagen and elastin, amplifies cell renewal and deeply hydrates, whilst it helps to counteract and delay the skin's ageing processes. LYCON Skin improves already damaged skin and adaptively interacts with the skin, encouraging it to behave like younger skin. This helps to achieve firmer, finer, softer, smoother, brighter, more evenly toned and vibrant looking skin. With regular use, LYCON Skin establishes visible skin improvements and builds lasting results. It delivers what the skin needs, where it needs it, when it needs it. It is excellent for all skin types, including sensitive skin and is non-comedogenic.

SEE THE RESULTS

Skin analysis before and after 3 or 6 weeks of use of the following LYCON Skin skincare regime - Micellar Cleansing Gel, Gentle Cleansing Scrub, Revitalising Hyaluronic + B5 Booster Serum, Neck + Décolleté Firming Cream, Exotic Oil. Individual results may vary.

Multi-Protection Day Cream SPF15

50mL

Suitable for all skin types

With Hyaluronic Acid, Kakadu Plum, Anti-Pollution Butterfly Ginger, and UVA + UVB filters

A precisely balanced multi-protective day cream with the anti-ageing powerhouse blend of LYCON Skin's signature Yeast Beta-Glucan, wrinkle reducing Peptide, dual weight Hyaluronic Acid, and fast acting antioxidants and botanical extracts that counteract free radicals, pollution, and even blue light. Multi-Protection Day Cream SPF15 rapidly hydrates, firms, lifts and plumps, whilst it protects against harmful UVA and UVB rays, boosting the skin's natural renewal processes and support system. With regular use, it reduces the appearance of lines and wrinkles and fortifies the skin against premature ageing.

Daily Moisture Protection

50mL

Suitable for all skin types

With Smart Hydration Complex, Kakadu Plum, Anti-Pollution Butterfly Ginger, Hyaluronic Acid, Anti-Ageing Peptide

An advanced day cream that instantly hydrates, soothes, nourishes and protects the skin with the antioxidant power of Kakadu Plum, Vitamins C and E, plus Co-enzyme Q10 to fight free radical damage. It contains the LYCON Skin signature anti-ageing powerhouse blend of Yeast Beta-Glucan, wrinkle reducing Peptide and dual weight extra hydrating Hyaluronic Acid, which work together to unlock multiple anti-ageing pathways, visibly reducing the signs of ageing. With regular use, skin will appear firmer, brighter, less lined and less wrinkled.

Time Out Cream

50mL

Suitable for all skin types

With Sunflower Ceramides, Kakadu Plum, Anti-Ageing Peptide, Hyaluronic Acid

An intelligently formulated night cream that effectively unlocks anti-ageing reparative pathways with restorative dual weight Hyaluronic Acid, Sunflower Ceramides, Australian Kakadu Plum Extract, Vitamin E, plus the LYCON Skin signature anti-ageing powerhouse Yeast Beta-Glucan and a wrinkle reducing Peptide. This natural, gentle yet powerful blend amplifies the skin's ability to rapidly and deeply hydrate, plump, firm and reduce the appearance of fine lines and wrinkles. It works hard to rejuvenate the skin while asleep, and with regular use it visibly takes years off the skin's appearance.

SEE THE RESULTS

Neck + Décolleté Firming Cream

50mL

Suitable for all skin types

With Sunflower Ceramides, Firming Kangaroo Paw Flower Extract, Hyaluronic Acid

A luxurious neck and décolleté cream, rich in nourishing botanicals, including Australian Kangaroo Paw Flower Extract, Macadamia Nut Oil, Algae Extract, Jojoba Esters, Pro-Vitamin B5 and the LYCON Skin signature anti-ageing powerhouse Yeast Beta-Glucan. This effective, smart blend improves the tone and texture of crepey skin, creating a firmer, smoother and more supple looking neck and décolleté. Ideal to also use on the cleavage and bust area.

FACE MASKS

A facial is never complete without the simple, yet important application of a face mask. LYCON Skin face masks can be used individually or together using the multi-masking technique, depending on individual needs.

If multi-masking, the masks simultaneously deliver a multitude of benefits to: exfoliate, deeply hydrate, plump, lift, firm, soothe and smooth the look of fine lines and wrinkles, reduce excess oil flow and apparent pore size, decongest, calm blemishes, and more.

Available in professional sizes and retail sizes for home use. Clients can also mix and match to gain the best results by using the masks to multi-mask more regularly at home. LYCON Skin masks provide the added bonus of much needed relaxation, regular pampering and self-care.

Radiance Lime Caviar AHA Mask **R: 50mL P: 250mL**

Suitable for all skin types, including sensitive, dull, unevenly toned or blemish-prone skin

With Australian Lime Caviar Extract, Fruit AHAs, Lactic Acid, Hyaluronic Acid

This multi action treatment mask can be used all over the face, neck and décolleté. It rapidly lifts layers of dull lifeless skin cells to reveal a fresher, smoother, more evenly toned and radiant looking complexion, after just one use. With regular use, fine lines and wrinkles visibly diminish, while the skin's texture becomes softer and brighter.

Deep Hydration Hyaluronic Mask **R: 50mL P: 250mL**

Suitable for dry to normal, mature and combination skins

With Hyaluronic Acid, Australian Kakadu Plum, Shea Butter, Jojoba Oil, Olive Squalane, Vitamin E

A supercharged rejuvenating and nutritive infusion mask, that deeply hydrates and plumps the skin, visibly reducing fine lines and wrinkles, whilst providing long lasting results that improve over time. It contains dual action Hyaluronic Acid concentrate, Australian Kakadu Plum, Shea Butter, Jojoba Oil, Olive Squalane and Vitamin E. Perfect to use on the face, neck and décolleté.

Superfruits 3 Minute Detox Mask **R: 50mL P: 250mL**

Suitable for normal to oily or blemish prone skin

With Australian Kakadu Plum, Illawarra Plum and Burdekin Plum Extracts, Purifying Clay, Zinc Oxide

This gentle high performance, multi-action purifying clay mask contains antioxidant-rich Australian botanicals to beautify and detox the skin by absorbing impurities, without drying the skin's surface. It helps brighten the complexion, reduces a muddy appearance, visibly tightens pores and smooths surface lines on ageing skin.

It is fast-paced skin rehab with a few brush strokes!

***R = Retail Size P = Professional Size**

THE ART OF MULTI-MASKING

Facial skin often has different skin concerns and conflicting needs. LYCON Skin face masks are ideal to apply using the multi-masking technique, which is to apply a different mask on different parts of the face, neck and décolleté simultaneously, depending on the skin condition, to target individual skin needs. Multi-masking provides a personalized professional skin treatment to cover all bases.

It is also important to recommend multi-masking at home to regularly take care of individual skin needs and to develop long lasting improvements.

Face Mask Trio Includes 3 x 50mL Face Masks

The LYCON Skin Face Mask Trio box set includes all three 50mL LYCON Skin face masks and easy to follow instructions, to guide any novice in the easy and convenient multi-masking application.

Some skins are suitable for multi-mask layering. Results are supercharged by using any LYCON Skin mask combination. Starting with Radiance Lime Caviar AHA Mask, simply leave mask on for the required amount of time, rinse off well and pat the skin dry. Then apply one of the other masks, depending on the desired results.

MULTI-MASKING GUIDE

Oily areas on the T-ZONE benefit most from the Superfruits 3 Minute Detox Mask

Hydration is important on the cheeks, neck, décolleté, and under eyes

Uneven skin texture is common on the chin, nose and sides of the face

SUPERFRUITS 3 MIN DETOX MASK

Effectively absorbs oil, draws out impurities & mattifies the skin surface, without drying the skin. Perfect for oily skin and excellent for the T-zone.

DEEP HYDRATION HYALURONIC MASK

Quenches dry skin & restores a youthful, dewy glow. Perfect for cheeks, neck and décolleté. Great around the eye area to plump out fine lines and wrinkles.

RADIANCE LIME CAVIAR AHA MASK

Gently exfoliates & brightens dull, uneven skin patches. Areas that often need special attention are the nose, chin and sides of the face.

FACE MASSAGE

A professional facial massage simultaneously provides the luxury of personal care and a multitude of physical benefits. It improves relaxation and the circulation, which in turn brings oxygen and nutrients to the skin's surface from deep within, while at the same time the ingredients in the massage medium are better absorbed, further enhancing results.

For extra benefits, LYCON Skin Aromatherapy Massage Oils offer targeted support for specific skin types. They can all be used on their own or in combination with LYCON Skin Magic Touch Massage Lotion.

Anti-Ageing Face Massage Oil 200mL

Suitable for dry to normal and mature skins

With Avocado Oil, Argan Oil, Rosehip Oil, Vitamin E
Aromatherapy Blend: Lavender, Bergamot, Clove, Sweet Orange

This premium blend is rich in nutritive omega oils and antioxidants to help fight free radical damage and reduce the visible signs of ageing. It effectively locks in moisture, while it smooths and hydrates the skin's surface. Ideal for face, neck and décolleté massage.

Harmony Face Massage Oil 200mL

Suitable for all skin types, including sensitive

With Sweet Almond Oil, Alpha-Bisabolol, Calendula
Aromatherapy Blend: Ylang Ylang, Sweet Orange, Rose

A gentle light aromatherapy face massage oil to improve hydration and soothe sensitive skin with the calming natural duo of Alpha-Bisabolol and Calendula Extract. It leaves the complexion feeling comfortable, balanced and smooth. Perfect for face, neck and décolleté massage.

Replenish Face Massage Oil 200mL

Suitable for normal, dry and mature skin

With Macadamia Nut Oil, Jojoba Oil, Vitamin E
Aromatherapy Blend: Jasmine, Rose, Bergamot

A rejuvenating and deeply hydrating aromatherapy massage oil with the replenishing properties of macadamia lipids and the antioxidant power of Vitamin E to help minimise the appearance of fine lines and wrinkles. Ideal for face, neck and décolleté massage.

Purity Face Massage Oil 200mL

Suitable for oily, combination and problematic skin

With Grapeseed Oil, Rosehip Oil, Lemon Tea-Tree
Aromatherapy Blend: Bergamot, Ylang Ylang, Patchouli, Lemon

A lightweight blend of Grapeseed and Rosehip Oils, rich in linoleic acid, and Australian Lemon Tea-Tree Oil to normalise and balance oily, blemish-prone skin. Ideal for face, neck and décolleté massage.

MASSAGE LOTION

The LYCON Skin Rhythmic Massage, designed and refined for over 40 years by Lydia Jordane, Founder of LYCON Cosmetics, is incomparable. This deeply relaxing massage has the amazing benefits of exercising the muscles of the face, neck and décolleté, which in turn helps to lift, firm and shape the facial contours, deeply relax, improve skin tone and plump the skin surface. The results are a smoother, more youthful looking and glowing complexion. Conveniently, the Rhythmic Massage can be easily modified to be just 10 minutes or extended to 20 minutes or longer for better results and decadence.

Magic Touch Face Massage Lotion 500mL

Suitable for all skin types

With Jojoba Oil, Chamomile, Calendula, Vitamin E

A luxurious, beautifully textured aromatherapy massage lotion with a silky lasting slip, allowing you to perform your magic touch. It minimises the appearance of fine lines and wrinkles, moisturises, deeply relaxes, firms, decongests and helps balance and unwind the mind for both therapist and client.

** To customise facial massage, team up the Magic Touch Massage Lotion with a targeted LYCON Skin Face Massage Oil.*

** LYCON Skin Rhythmic Massage digital demonstration video is available upon request for LYCON Skin professionals.*

BODY MASSAGE

Body Massage is not only good for the body, it is also good for the mind. It is very beneficial on a regular basis for relaxation, to minimise stress, improve circulation, detoxify and provide a nurturing experience in our fast paced world.

Contouring Body Massage Oil 500mL

Suitable for all skin types

With Coffee Seed Extract, Sweet Almond Oil
Aromatherapy Blend: Ylang Ylang, Juniper, Geranium

A luxurious contouring aromatherapy blend with Sweet Almond Oil, Ylang Ylang, Juniper and Geranium. Enriched with Coffee Seed Extract to help smooth, re-energise and visibly refine the contours of the body. Lightweight and non-clogging, it washes off or wipes off easily with warm towels.

Relax & Refresh Body Massage Oil 500mL . 5L

Suitable for all skin types

With Avocado Oil, Sweet Almond Oil, Vitamin E
Aromatherapy Blend: Lavender, Bergamot, Cedarwood

A highly moisturising oil with Avocado Oil, Sweet Almond Oil and Vitamin E to help improve skin elasticity and minimise the appearance of fine lines and wrinkles, while its Lavender rich aromatherapy blend helps unwind the mind and promotes a feeling of wellbeing. Lightweight and non-clogging, it washes off or wipes off easily with warm towels.

BODY MASK

The skin on the body is often exposed to the harsh sun and other damaging environmental factors, as well as clothing that robs the skin of moisture and its natural protective barrier. For extra rejuvenating benefits, LYCON Skin Intense Recovery Body Mask is ideal to help minimise the look of fine lines and wrinkles, improving the overall look and feel of the skin. It can be applied after body exfoliation treatments or after body massage. Applied regularly it provides cumulative and long lasting results.

Intense Recovery Body Mask

2L

Suitable for all skin types

With Pro-Vitamins B5, C & E, Hyaluronic Acid, Shea Butter, Pomegranate Extract

Intense Recovery Body Mask is a luxurious and fresh crème-gel mask with Pro-vitamins B5, C & E, Hyaluronic Acid, Shea Butter and Pomegranate Extract. This action-packed mask provides an instant moisture surge to quickly hydrate dry and tired skin, while it minimises the look of fine lines and wrinkles. It also contains nourishing botanicals and a multivitamin complex for long term hydration and barrier support. It easily rinses or wipes off, leaving no greasy or powdery residue, only silky smooth hydrated and youthful looking skin.

PARAFFIN TREATMENT

The once neglected Paraffin Mask treatment is now back as a wonderfully improved new age extravaganza! LYCON Skin Thermo Active Paraffin Mask is fortified with extra ingredients to boost results quickly, which can immediately be seen and felt. Great for mature and dry skin to create faster anti-ageing results. Applied regularly, the results build and last longer.

Thermo Active Paraffin Mask

400g

Suitable for dry to normal and mature skins

With Jojoba Oil, Vitamin E, Shea Butter

Aromatherapy Blend: Rose, Geranium, Bergamot

A premium paraffin mask with a quick thermal effect which boosts the circulation, decongests, plumps, firms, deeply hydrates and smooths fine lines and wrinkles. It is best applied over a light film of LYCON Skin Revitalising Hyaluronic + B5 Booster Serum and/or Deep Hydration Hyaluronic Mask for deeper and longer lasting results. Ideal for face, neck, décolleté, body, hands and feet!

** Paraffin treatment guide is available upon request.*

LYCOPRO Paraffin Professional Wax Heater

2.75L

Includes lid, rack and brush

A thermostatically controlled heater, excellent for LYCON Skin Thermo Active Paraffin Wax. Moulded from durable heat resistant materials with advanced heating technology and easy clean surfaces.

Benefits of paraffin

- Softens skin
- Helps stimulate circulation
- Decongests
- Hydrates
- Plumps and firms
- Boosts product efficacy
- Promotes relaxation

ACCESSORIES

Magic Puff

Facial Cleansing Puff

Squeaky clean skin in no time!

- Reusable & durable
- Machine washable
- Kind to the environment
- Vegan friendly
- Gentle on skin

Magic Puff is gentle and caring on the complexion. The most effective way is to first cleanse the face and eye area, neck and décolleté with Micellar Facial Cleaning Gel, then wipe off with a damp Magic Puff, which is double-sided and excellent for a thorough double cleanse. Magic Puff also efficiently removes exfoliants and face masks!

Double Ended Mask Brush

The perfect professional mask brush. Convenient double ended design features a brush on one side and a silicone mask applicator on the other, which doubles up as a scooping spatula.

Did you know?...

There are many skin types and some skins can change their equilibrium multiple times in one day. Caring for the skin and its cutaneous imbalances is easy with the new LYCON Skin Adaptive Skin Science technology. The multi-functional ability of LYCON Skin allows the skin to take what it needs, where and when.

Easy to use! Easy to recommend! Easy results!

4 Reasons to love Lycon Skin...

- 1** LYCON Skin makes the skin think young again!
- 2** LYCON Skin delays the visible signs of ageing on younger skin!
- 3** LYCON Skin visibly reverses the signs of past skin damage on older skin!
- 4** LYCON Skin is suitable for all skin types!

*Clearly
more beautiful skin!*

INGREDIENT SUPERHEROES SPOTLIGHT

LYCON Skin encompasses an abundance of superhero results-orientated ingredients, ensuring reliable visible results for all age groups and all skin types. This is just a small taste of what makes LYCON Skin so great...

YEAST BETA-GLUCAN

A natural polysaccharide (derived from yeast cells) that acts as a multi-potent skin tonic; it revitalises skin, restores the skin's moisture balance, enhances natural repair processes, soothes sensitive skin, and increases the skin's own anti-ageing and self-protective capacity. It also provides secondary antioxidant activity.

HYALURONIC ACID (High Molecular Weight)

Naturally found in skin, it delivers an instant boost of hydration, smooths the surface of the skin and acts as a water reservoir to help maintain dermal moisture and elasticity.

HYALURONIC ACID (Low Molecular Weight)

A high-tech hydrolysed Hyaluronic Acid with increased skin permeation which plumps the skin from within and visibly reduces wrinkles over time.

AUSTRALIAN SUPERFRUITS COMPLEX

Kakadu Plum, Illawarra Plum and Burdekin Plum. In combination, these superfruits contain a multitude of antioxidants such as Vitamins A, C & E and anthocyanins, to help fight free radicals.

SUNFLOWER SEED EXTRACT (VEGAN CERAMIDES)

Structuring and repairing lipid complex that holds key factors of healthy barrier function. With key ceramides that are structurally similar to human skin ceramides, Sunflower Seed Extract enhances the moisturization capacity of skin, is a bio-protector against environmental stressors, and improves skin softness and comfort.

ANTI-AGEING + SKIN REFINING PEPTIDE

Patented peptide that helps slow down and visibly reverse the skin ageing process. It mimics the body's own mechanism, simultaneously boosting collagen production and protects against collagen degradation. Visibly reduces the appearance of all types of wrinkles and significantly reverses the visible signs of photo-ageing damage.

KANGAROO PAW FLOWER EXTRACT

An Australian botanical extract that improves dermal architecture to visibly lift sagging skin and reduce wrinkles. It features both a rapid action (firming and wrinkle reduction within one hour) and long-term improvements in skin firmness and reduces the number, length, and depth of wrinkles.

POWERHOUSE ANTIOXIDANT BLEND

Synergistic blend of Vitamins C & E, Co-enzyme Q10, & Hydroxymethoxyphenyl Decanone

Vitamin E and a special stable lipid-soluble **Vitamin C** act as a synergistic antioxidant pair to protect and repair skin from free radicals and oxidative damage. Skin radiance and texture is visibly improved.

Coenzyme Q10 is a fundamentally important antioxidant in our bodies. It helps to energize the skin's biology and protects and repairs against environmental damage.

Hydroxymethoxyphenyl Decanone is a next-generation super antioxidant that is naturally occurring in 'grains of paradise', a spice from the ginger family. It is a cellular antioxidant, a soothing agent, and a Hyaluronic Acid booster. Enhanced hyaluronic acid synthesis can visibly plump skin from within and reduce lines and wrinkles. Hydroxymethoxyphenyl Decanone also repairs and protects skin from short and long term damage and has strong anti-pollution properties.

SMART HYDRATION COMPLEX

Using green technology based on Xylitol (a natural sugar) derivatives, this intelligent complex takes skin hydration to the next level by acting on the three key mechanisms of natural hydration. It optimizes water reserves by boosting hyaluronic acid and natural moisturising factors, balances water circulation within the epidermis with its action on aquaporins and tight junctions, and reinforces the barrier function by stimulating ceramides and other skin lipids. These three key actions combine to provide instant yet long-lasting hydration, plus long-term smoothing and softening of the skin and a reduction of fine lines.

AUSTRALIAN LIME CAVIAR EXTRACT

An exotic Australian fruit, also known as Finger Lime, Lime Caviar provides a gentle AHA activity that safely but effectively promotes exfoliation and skin renewal.

TAZMAN BERRY EXTRACT

Also known as Tasmanian Pepper Berry, this Australian botanical extract soothes and calms reactive skin and reduces the appearance of skin redness.

EXO-P MARINE EXTRACT /

ANTI-POLLUTION MARINE EXTRACT

Patented, unique, protective and cleansing exopolysaccharides, extracted from French Polynesian Kopara (a marine micro-ecosystem). EXO-P helps to purify dull, asphyxiated skin by removing urban pollutants that can otherwise adhere to the skin's surface. This purifying action leads to more luminous healthy-looking skin and helps fight against pollution induced irritation and premature ageing.

FRUIT AHAS

Natural fruit acids (including Glycolic Acid) from extracts of bilberry, sugar cane, sugar maple, orange and lemon. They provide gentle exfoliation of dead skin cells to boost radiance, increase skin renewal, even out skin tone, and decrease fine lines and wrinkles.

LACTIC ACID

This naturally occurring AHA offers all the usual skin renewing benefits of AHAs, plus it is known to boost natural skin ceramide levels as well as increase skin hydration.

ANTI-AGEING EYE BEAUTY COMPLEX

A fast-working four-in-one complex that addresses multiple eye beauty needs. It features a collagen boosting Peptide with an energising Algae Extract, Pro-vitamin B5 and low molecular weight Hyaluronic Acid. Helps to improve skin texture, making the delicate skin around the eye look smoother. It visibly reduces the appearance of lines and wrinkles around the eye and visibly brightens eye contour skin, reducing dark circles and puffiness.

BOTANICAL FIRMING COMPLEX

Featuring key biomolecules from Spilanthes Acmella flowers and Astragalus Membranaceous roots, this complex rejuvenates the skin by reorganizing the collagen network. Its multi-lifting action visibly repairs the effects of skin ageing by smoothing and tightening the cutaneous layer, reduces deep wrinkles and corrects fine lines. It has an immediate, fast lifting effect which is also reinforced over time. Non-irritating for skin and eyes, so ideal for daily use.

SKIN TIGHTENING COMPLEX

Microalgae Extract (Nannochloropsis Oculata), rich in Vitamin C and Vitamin B12, in a well-balanced fraction of skin tightening polysaccharides (Pullulan). It delivers both an instant tightening effect and a long-term skin firming effect.

AUSTRALIAN MACADAMIA OIL

Contains high levels of an Omega-7 fatty acid that helps skin retain suppleness, as well as Vitamin E and Squalene, which are nutrients that support younger looking skin. It is rapidly absorbed and has a high affinity for all skin types, from dry/mature skin to sensitive skin and even oily skin.

ZINC OXIDE

Is a classic skin-soothing ingredient that also acts as a reservoir of zinc ions which can help oily skin by balancing and regulating sebum production.

BUTTERFLY GINGER EXTRACT

Provides natural detoxifying and energizing support to the skin and gives multi-dimensional protection against blue light, infra-red, heat, air pollution and chronological ageing. Also boosts skin radiance and promotes a more uniform complexion.

ROSEHIP OIL

Hydrating, repairing and anti-ageing, with high levels of essential fatty acids, especially Omega-3 (Linolenic Acid) and Omega-6 (Linoleic Acid). Softens skin and improves skin barrier function. Easily absorbed and tolerated by all skin types. Contains a natural form of Retinol that is both powerful and well-tolerated.

ARGAN OIL

Powerful but gentle, and rich in Linoleic Acid, this oil nourishes without clogging pores and can be used by all skin types, whether acne-prone or super-dry. Rich in antioxidants and contributes soothing and anti-ageing properties.

CACAY OIL

Regarded as one of the Amazon's best kept secrets, Cacay Oil is sustainably harvested and is even more vitamin packed than Argan and Rosehip Oils. Cacay Oil has 50% more Vitamin E than Argan Oil and three times more natural Retinol than Rosehip Oil. Cacay Oil is also richly concentrated in Linoleic Acid, which helps to plump up and replenish skin with moisture.

OLIVE SQUALANE

Deeply soothes and moisturizes without leaving an oily finish. It helps slow down transepidermal water loss and boosts skin moisture, making the complexion look more radiant and nourished. Absorbs into skin quickly, enhancing elasticity and suppleness while also visibly reducing fine lines and wrinkles.

SHEA BUTTER

A natural emollient that protects the skin and repairs damage caused by climatic aggressions, pollution and UV radiation. It provides the skin with Pro-Vitamins A and E, Linoleic Acid and unique plant molecules with soothing, regenerating and protective qualities. It gives rapid and long term hydration.

CALENDULA EXTRACT

Calendula-infused oil is derived from the calendula flower (also known as marigold flower) and has traditionally been used to calm and soothe skin.

JOJOBA ESTERS

Provides luxe caring benefits such as superior skin hydration, improved skin barrier function, and a reduction in skin redness.

BROAD SPECTRUM UV FILTERS

Multiprotection Day Cream SPF 15 contains a considered blend of three UV filters to provide broad spectrum UV protection that helps prevent premature skin ageing and skin damage. The carefully balanced blend filters UVA and UVB light, and also provides protection from free radicals and photoageing. Importantly, for a daily moisturizer the UV filter blend works effectively without compromising on the luxe sensory profile of a LYCON Skin product.

ALPHA-BISABOLOL

Outstanding soothing agent found naturally in German Chamomile oil. It is also a potent antioxidant, protecting the skin from free radical damage and helps to counteract the visible signs of ageing.

PRO-VITAMIN B5 (Panthenol)

Alongside Hyaluronic Acid, Panthenol is the gold standard for skin moisturization. It provides deep penetrating and long-lasting moisture, soothes sensitive skin, and promotes dermal regeneration.

GRAPSEED OIL

A super lightweight oil that is high in Linoleic Acid, which in addition to fortifying the skin's barrier and helping to reduce water loss from the skin, can also help regulate sebum levels. It is rich in many natural antioxidants, including Beta-Carotene, Vitamins D, C, E, and Polyphenols.

KAOLIN (White Clay)

Gently purifies and cleanses skin; acts like a magnet to draw out deep impurities such as dirt, oil, pollution and excess sebum. Skin texture is refined as pores are visibly reduced and tightened. Leaves skin feeling silky smooth and looking clean, revived and shine-free.

*Get brighter, firmer, more refined
and younger looking skin!*
