

## STRIP WAX COMPARISON CHART

LYCON Strip Waxes are very low temperature, making them easy to work with at a thinner consistency, allowing for a very economical thinner application on the skin. There are approximately 28 leg waxes in one 800g jar. They smell delicious, remove hair as short as 2mm, and do not leave sticky residue.

### CLEAR STRIP WAX - WITH AROMATHERAPY

No skin drag, no sticky residue, gentle with aromatherapy in most.

- Apricot™ Strip Wax
- Aloe Vera™ Strip Wax
- Azulene™ Strip Wax
- Wax 'n' Relax™ Strip Wax

### STRIP WAX - WITH TITANIUM DIOXIDE & AROMATHERAPY (Opaque)

No skin drag, no sticky residue, extra gentle with soothing aromatherapy & Titanium Dioxide.

- SoYummy™ Strip Wax
- LYCOflex™ Vanilla Strip Wax
- Rosette™ Strip Wax

### STRIP WAX - WITH MICRO MICA & AROMATHERAPY (Clear)

No skin drag, no sticky residue, extra gentle with Micro Mica for an easy glide.

- MANifico™ Strip Wax
- SoBerry™ Strip Wax
- Active Gold™ Strip Wax

### STRIP FILM WAX - WITH TITANIUM DIOXIDE & MICRO MICA

No skin drag, no sticky residue, leaves skin silky smooth and soft.

- LYCOTec White™ Strip Wax
- LYCOTec Superberry™ Strip Wax

### CARTRIDGE STRIP WAX

Same formulas as the strip waxes in jars. Easy glide roller head, economical, gentle, fast to work with.

- SoBerry™ Strip Wax
- Active Gold™ Strip Wax
- MANifico™ Strip Wax
- LYCOTec White™ Strip Wax
- Olive Oil Strip Wax
