

KEEPING YOU SAFE

PLEASE FOLLOW NEW HYGIENE PROTOCOLS

To help keep us all as safe as can be, we are taking extra precautions to protect ourselves and our clients.

We ask you use the sanitising tools provided to keep our salon clean, and use the appropriate protective gear at all times. Always make sure you:

1. WIPE DOWN SURFACES

Before and after every treatment using the sanitising cleaners provided. Please ensure a thorough wipe down of all surfaces and equipment.

2. WEAR PROTECTIVE GEAR

Please use your mask and gloves whilst treating your client at all times. Change your mask throughout the day and ensure a new set of gloves is used for every new treatment.

3. SANITISE YOUR HANDS

Please wash your hands regularly and apply sanitising gels regularly, especially before and after treatment, and at the POS.

4. STAY HOME IF YOU FEEL UNWELL

If you are feeling unwell, we encourage you to stay home and help keep us all safe.
