

TELEPHONE PRE-BOOKING QUESTIONS

Before you email your COVID-19 Client Pre-Appointment Consultation Form, you may wish to save some time and identifying your client's health status with these useful questions at your POS for all staff to refer to:

1.

Do you currently have, or have you had within the last 14 days any flu-like symptoms (fever, dry cough, tiredness, shortness of breath, sore throat, aches & pains, runny nose, congestion)?

2.

Have you had contact with any person in the last 14 days who you believe may have displayed flu-like symptoms (fever, dry cough, tiredness, shortness of breath, sore throat, aches & pains, runny nose, congestion)?

3.

Have you or any person close to you returned from overseas air or sea travel in the last 14 days?

4.

Are you currently self-isolating for any health-related issues?
